## Burglars Hit Ten Homes, Five Firms

### 16 Break-Ins During Weekend; Thieves Loot Coin Machine Boxes

A series of 16 burglaries — ten of them at houses and apartments — marked a long list of crimes reported to Quad-City authorities during the weekend. In two commercial establishments burglars obtained considerable cash by looting coin-operated machines. At one of the homes nearly \$100 in loot was hauled away. One school was entered.

Burglars stole items valued at more than \$890 at the home of Larry Voss, 28 Wilson Park drive, he reported about 10 p.m. Sunday. The master bedroom was ransacked. Garage and kitchen doors were forced open. A color television set valued at \$699, a blanket, a portable radio valued at \$120, a 30-gauge caliber rifle, a 20-gauge pump shotgun valued at \$100 and a camera valued at \$70.

A tape recorder valued at \$330, about three dozen foreign coins and a fifth of whiskey were taken in a burglary at the home of James Beckert, 3223 Maryland road, he reported at 8:10 p.m. Sunday. A door was pried with a large screw driver.

**Apartment Burglary**  
Norman Sanders, 4907 Kirkpatrick Homes, reported at 8:40 p.m. Sunday that intruders took food from his refrigerator, threw eggs on the walls and spilled soda on the floors. Entry was gained by unlocking the front door through a broken window.

A bedroom at the home of Don Wolborn, 2333a Madison avenue, was ransacked by burglars, it was reported at 8 p.m. Thursday. There was no sign of forced entry, and nothing was missing.

**House Looted**  
Burglars looted and ransacked the home of Edward Rickert, 2437 East 24th street, it was reported at 7:35 p.m. Thursday. Entry was gained by breaking a basement rear window and punching the lock on the upstairs door.

Taken were a man's gold watch valued at \$100, a white gold diamond tie tack valued at \$30, a woman's gold watch valued at \$40, 40 nerve pills valued at \$4.50 and a baby's gold ring valued at \$10. Jacquelyn Pecher, 1207 Kirkpatrick Homes, reported at 4:45 p.m. Thursday that a brown portable stereo valued at \$75 was stolen from her apartment. Also taken were a camera, training disc. Entry was gained through the rear door.

**Furniture Stolen**  
Living room furniture valued at \$30 was stolen in a burglary at a vacant apartment, 1839 Spruce street, it was reported at 10:15 a.m. Friday by Thomas Kalbach, 2002 Bryan avenue. He said his tenants had moved out after Tuesday.

Taken were a couch, chair and lamp.

## Auto Hits Three Parked Cars; Goes Through Building

An auto went completely through a building on the southwest corner of 21st street and Madison avenue, then across 21st street, to jump the curb and strike a small tree in Memorial Park about 2 a.m. Saturday.

The motorist, who hit three parked cars in the 2000 block of Madison avenue, before driving through a plate glass window in the south side of the building, passing through the building and out through another plate glass window, suffered only minor injuries.

He was Kenneth Druhe, 26, of 2337 Lee avenue, who was charged with reckless driving. Damage to the building, occupied by Martinizing Cleaners and the Safeco Plastics Co., was estimated at several hundred dollars. The auto, with damage to a tree and shrubbery in Memorial Park as well as to the three parked cars, was traveling north on Madison avenue when he first hit the parked auto of Jesse Chas. 2034 Madison avenue, knocking it into the parked auto of Ferrell Bevers of Carlyle, Ill.

Then, Druhe's auto veered across Madison avenue to hit the parked auto of Tony Mossa, 2039 Madison avenue, before going into a driveway and through the building at 2043 Madison avenue. The structure formerly was an auto agency and garage with large windows on three sides of the front.

## 13 Traffic Charges Filed After Chase

Thirteen traffic charges were filed against a St. Louis driver following a chase by police through Granite City when he ended in an accident at 1:30 p.m. Friday.

Arrested was Harry A. McCarter, 22, who pleaded guilty to the charges. He was fined \$500 and was released.

His auto struck the parked car of Larry L. Groons, 2147a Madison avenue, before striking the parked car of John R. Jones, 2147a Madison avenue, before striking the parked car of John R. Jones, 2147a Madison avenue.

McCarter, who told police that he had applied for a license following a chase by St. Louis police department, was chased as he left the parking lot of the Red Hot restaurant, 3030 Madison avenue.

He was charged with reckless driving, speeding through a school zone, five traffic signal violations, turning without signaling, failing to yield the right of way, leaving the lot, driving too fast for conditions, attempting to elude police, and reckless driving.

## 15 Hurt In 29 Traffic Accidents

### Tree, Pole, House Struck; Boy, 3 1/2, Hurt In Madison Mishap

Fifteen persons were injured, including a boy, 3 1/2, as 29 crashes occurred during the weekend on Quad-City area streets and highways, authorities reported.

Three persons were injured about 1 a.m. Sunday when their auto crashed into a parked car on Niedringhaus avenue at Walnut street. The parked car, belonging to William Hood, 945 Niedringhaus avenue, was knocked over by a utility pole, snapping it off.

Injured were Freddie T. Jagers, 27, of Quarters 13, Apt. 13, Granite City Army Depot, driver of the car; Waltrud Jagers, 25, of the same address, and George Madson, 35, also of the Granite City Army Depot.

A jockey was charged with reckless driving. The accident occurred when a car driven by Michael L. Scheven, 2804 Cayuga street, stopped at a red light on Madison avenue to make a left turn by a car driven by Cecil W. McDowell, Alhambra, officers said.

The boy, Thomas Blankenship, Madison, a passenger in McDowell's car, was taken to St. Elizabeth Hospital for examination, police reported.

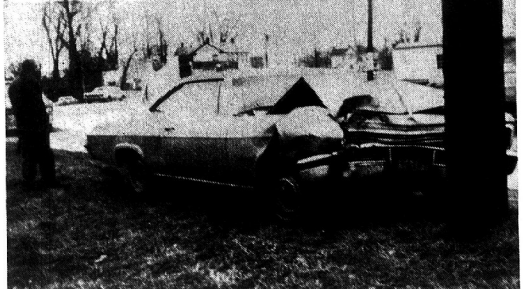

**Auto Hits Tree**  
J. Warren Stewart, 62, of 90 Mercedes street, Venice, was injured about 11:45 p.m. Saturday at Third street and Jackson street. West Madison, where his auto crashed into a tree. He was taken by police to the hospital to be treated for cuts to his face.

Madison police said Stewart was forced to swerve when an auto operated by Lonnie Munson, 20, of 173 Viola Jones homes, backed into the street. Stewart's auto jumped the curb and hit a tree.

**Woman Injured**  
Mrs. Edith H. Rodgers, 43, complained of pains after the last side of her auto was struck by a pickup truck driven by John R. Weston, 1967 Market street, at 4:35 p.m. Sunday at East 23rd street, and Jackson street.

She was taken to St. Elizabeth Hospital for examination, police reported.

(Continued on page 2, col. 8)

**SUNDAY MORNING CRASH** at Mitchell where the auto of Mrs. Marilyn Garin, Rural Route Two, ran into a pole where Chain of Rocks road curves onto Route 203. Mrs. Garin was hospitalized with a severe knee injury and face cuts.

## Clip and Save

### Switchboard Taken Out-- New Nos. at GC City Hall

Granite City offices switched over to a new telephone system today amid considerable confusion that funneled all incoming calls under the old switchboard exchange number (877-6111) into the police department which fell heir to that number along with three other new ones.

Use of the switchboard has been discontinued and heretofore all city hall offices will be reached by direct phone numbers in a move by Mayor Donald Partney to effect operating economies in the city hall. Under the new telephone numbers, the switchboard number will reach the police department.

Partney declined today to discuss potential savings under the new telephone system, but he promised he "will bill it all on the line tonight" at the regular city council meeting. He said he also plans to make known at that time whether he plans to transfer Margie Hall, city hall switchboard operator, to a new position. She has been in the position for many years, to the police department as a phone operator for the city.

**New Police Numbers**  
Under the new system effective today, the police department may be reached by any of four numbers: 877-6111, 877-6112, 877-6113 or 431-7670.

The mayor's office can be reached at 878-6854. Two phone numbers have been installed in the city clerk's office, the treasurer's office and the controller's office. These numbers are: City Clerk 877-3216 and 877-6117; City Treasurer 877-6117 and 877-6118; Controller's office 431-8337 and 877-6113.

New phone number for the inspection department is 526-5004, and for the sewer billing department is 877-6118. The number of the humane office is 878-8900.

To reach the fire chief's office, callers must dial 877-6114, but phone numbers of Granite City fire stations are unchanged. They are Station No. 1, 876-1434; No. 2, 876-2422; and No. 3, 877-0150. The number used to call in a fire alarm is still the same, 526-4452. Also unchanged is the street department number, 877-3880.

He was elected to the Granite City school district board of education in the mid-1950s and served one term.

Active in programs supporting Granite City high school athletic department, Mr. VanBuskirk is one of a small group of men, known as the "Alumni 'G' Club," who annually sponsored athletic awards and recognition banquets at the local high school. He also served as an officer in the Boosters of the Fighting Warriors.

Mr. VanBuskirk was a member of the First United Presbyterian Church and the Meatcutters Union, Local 334, East St. Louis.

Surviving are his wife, Mrs. Georgiana VanBuskirk; one son, John VanBuskirk of Granite City; a daughter, Mrs. Yolande Redfern of Taylorville, Ill.; and two brothers, Joseph VanBuskirk of Taylorville and Boyd VanBuskirk of Chicago Heights, Ill.

His father, Lucas F. VanBuskirk, died in 1955. Funeral services were held Saturday. Arrangements are given in today's obituary column.

**Two Minor Fires**  
Firemen were called to 10:45 a.m. Saturday to the old bank building at Niedringhaus and Cleveland lived where a furnace with an overload of fuel oil was smoking, and at 12:15 p.m. Saturday to the B. F. Goodrich store, 23rd street and Madison avenue, where burning trash ignited some old tires. No loss was reported.

## Engineers Open Bids on Madison Stormwater Line

The G. H. Sternberg & Co. contracting firm of Granite City has submitted the apparent low bid to the U. S. Army Corps of Engineers at St. Louis for repair of an extensive break in the 84-inch stormwater sewer line that serves the city of Madison, Col. Ed. Decker, district engineer of the corps, announced Friday.

Col. Decker said Sternberg bid \$129,800 in the lowest of five bids opened at the district engineer's office as the first step in repair of the sewer line which the break is located in the city of Madison.

He said the break was caused by heavy rains causing subsidence damage to Granite City and levee district sewer lines last July.

Current estimates of the repair costs had indicated the job might cost as much as \$250,000.

More detailed inspection of the break, which the break is located on the Army Depot grounds, about 300 yards east of the Madison pumping station, resulted in the lower cost bid, however.

Col. Decker said the Sternberg bid covers all work in connection with repairs to the 84-inch stormwater line, furnishing and installing concrete cradles and collars, unearthing the break area, inspection and necessary repairs to the interior joints, care of flow in the sewer line and repairs to a longitudinal crack.

The specifications call for completion of the work within 60 days after the contractor has been notified to proceed with the project.

The break developed in the Madison sewer line within a few weeks after torrential rains hit the Quad-City area early last July.

## Short Circuit Causes \$300 Blaze in Truck

A short circuit in the wiring of a 1969 truck caused \$300 damage about 5:45 p.m. Saturday at 20th and State streets. Firemen said the truck belonged to Grady Underwood.

Firemen also were called at 8 p.m. to the 2800 block of Kirkpatrick Homes, where a carburetor backfire caused \$25 damage to an auto owned by Betty

Firefighters extinguished grass and weed fires in Wilson Park, the 1300 block of Carr street and in the 2100 block alley between Washington and Lee avenues Saturday afternoon.

There also were two false alarms Saturday afternoon with runs to the 2800 block of Edwardsville road to Nameoki and Fehling roads.

Also included in the budget are \$750,000 for maintenance of the Chain of Rocks canal, \$200,000 for planning the new canal and locks to replace the Alton dam and locks to \$400,000 for maintenance of the nine-foot channel along the Mississippi River from the Missouri River to the Ohio River.

**16 DAYS WITHOUT A QUAD-CITY TRAFFIC FATALITY**

The frequent light snows of last month failed to count toward the measurable precipitation for the month which totaled only .20 inch.

Snow flurries were recorded on six days, with snowfalls of a half inch recorded on Jan. 18 and 23 and a .05-inch shower recorded Jan. 29. In addition, a combination of .04-inch rain and snow was recorded Jan. 11.

## Area Property Assessments at \$300 Millions

### Up \$5 Millions Over Last Year; Represent 31% of County Total

A new Madison county assessment of \$957,532,285 for the 1969 tax year—of which more than \$300 millions, or 31%, is located in the four townships of the Quad-City area—was announced today by County Clerk Eulalia Hotz.

The new overall county valuation, against which tax bills will be extended for collection this summer, is an increase of \$7,066,975 over the county-wide assessments totaling \$950,465,410 for the 1968 year.

Miss Hotz said the new assessment figures completed recently by the Madison county Board of Review included increases in all categories of locally assessed property, personal, lots, lands and a small portion of railroad property which is locally assessed. The new valuation figures announced today do not include railroad property assessments extended by the State Department of Revenue, or capital stock valuations.

The new assessments for the Quad-City area — Granite City, Nameoki, Venice and Chouteau townships — total \$300,330,265, an increase of \$5,025,000 over the 1968 values totaling \$295,305,265.

**Value Drops**  
Increases in Granite City and Nameoki townships exceeded \$2 millions in each, while Venice township, with an assessment cut of \$666,880, was the only one of the four townships in the Quad-City area to show a decline. The Chouteau township value rose \$501,410.

The assessment listings announced this morning place the Granite City township valuation at \$174,891,490, an increase of \$2,814,855 over the 1968 assessment of \$172,076,635. In Nameoki township the 1969 valuation is \$36,808,365, up \$2,275,855 over its 1968 assessment of \$34,532,510.

Venice, which has been confronted with a declining valuation for several years, has a 1969 assessment of \$62,528,380, or a drop of \$566,880 below the 1968 assessment of \$63,095,260. The new valuation for Chouteau township is \$50,410,000, an increase of \$501,410 over the 1968 assessment of \$49,908,590.

The new valuation for Chouteau township is \$50,410,000, an increase of \$501,410 over the 1968 assessment of \$49,908,590. The new valuation for Chouteau township is \$50,410,000, an increase of \$501,410 over the 1968 assessment of \$49,908,590.

**Real Values Climbed**  
Figures released by Miss Hotz's office show that the largest increase in new valuations was extended to agricultural lands and improvements, although there was no regular real estate assessment last year. Only changes and additions are made during years in which there is no quadrennial assessment.

Valuations on lots at the county levels increased \$15,335,510 to \$457,510,655. Personal property values increased by \$7,607,650 to \$279,482,740, and assessments on lands increased by \$4,121,145 to \$239,740,265. Locally assessed railroad property increased by only \$3170 to \$1,317,000.

Miss Hotz said the new assessments have been certified to the State Department of Revenue to determine if the county's multiplying factor will be 1.1.

### Five Sheriff's Men Suspended for Week

Five employees at the Madison county jail at Edwardsville were suspended for a week without pay by Sheriff George Musso last week after the wrong man was released from the jail in an incident involving two inmates named Turner. A case of mistaken identity occurred when Lonell Turner, 26, of St. Louis, being held on the theft charge, was taken to magistrate's court for a hearing called for Carlton Turner, 22, of Granite City. Lonell Turner pleaded guilty of a misdemeanor, disobeying a police officer, for which Carlton Turner was being held. The magistrate sentenced him to six days in the county jail to be served on weekends, and he was released. Three days later, Carlton Turner appeared before the same magistrate and was sentenced to six days in jail, but as he had already been confined for a longer amount of time, he was released. After an investigation, Sheriff Musso said that he found that the men on duty at the jail were negligent in the performance of their duties.

### Two Plead Innocent, Three Fail to Appear

Two area defendants pleaded not guilty and three others were declared to be fugitives during arraignments held Friday in Madison county circuit court at Edwardsville. Jury trials are tentatively set for an April 6 setting for Hollis W. Fifer Jr., 19, of 208 Douglas street, Venice, charged with theft and burglary at the GM&O railroad storehouse in Venice on Jan. 10, and David Farley of Granite City, charged with aggravated battery. Failing to appear in court as ordered were Bobby Gene Lovins and Charles Douglas Gallagher, 2208 Cleveland Blvd., charged with unlawful possession of a hypodermic syringe, and Jerry B. Chensault of Granite City, charged with theft.

### Right-of-Way Violation

Charles E. Johnston, 2123 Washington avenue, was charged with a right-of-way violation at 5:20 p.m. Friday at 19th street and Edison avenue.

### Burglars

and desk drawer. Entry was gained by cutting a screened window and pushing in another window. The door to the living room was pulled open, breaking off the hamp. Steve Powers, Collinsville, reported at 3:35 p.m. Tuesday that a vacant apartment was entered at 2730 Center street. Nothing was missing. Windows in the kitchen and bathroom were broken. Burglars damaged a house under construction at 1900 Wilson Park lane, it was reported Thursday by the Reinhardt Real Estate agency. Entry was gained by breaking the front door glass.

### House Looted

Harry Hagopian, 26 Devon hill lane, reported at 9:15 p.m. Sunday that burglars took bacon, eggs, plates, silver, an iron skillet, a bag of pennies, a transistor radio and food from a freezer. Entry was gained through a rear garage door and by forcing another door to the house. A wallet with \$3 was reported missing from the home of Elsie J. Stas, 2429 Grand avenue, Saturday morning.

### Loose Coin Machines

Four coin-operated machines at the American Legion Post 307 home at 740 Broadway, Venice, were broken open and looted early this morning by burglars who also took three points of whiskey and a number of half-pints of liquor. Venice police reported. The break-in was discovered by Joe Gondolph, custodian, about 4 a.m. The place had closed at 1 a.m.

### Drug Store Break-In

Burglars kicked in a rear door to steal six radios and a quantity of jewelry from a showcase at Jenkins Drug store, 313 Weaver street, Venice, early yesterday morning, according to Venice police who said part of the loot was recovered later.

The break-in discovered about 1 a.m. Two boys were seen running in the vicinity of the store. Curtis Jenkins, operator of the store, said the missing items had a total value of about \$340. They included one car radio worth \$20, three portable radios worth \$20 each, three transistor radios worth \$10 each, ten watches worth \$15 each, two necklaces worth \$10 each, 20 keychains worth \$1 each, three cigarette cases worth \$2 each, six combs worth \$2 each and six rings worth \$5 each.

Yesterday afternoon Jenkins told police he learned some of the stolen articles were in an apartment in the 1000 block of Calhoun street. Police went to the address where they found two boys who said they were buying-stuff for a friend and did not live there. They gave police permission to search the apartment and officers said they found three of the radios that had been described by Jenkins. No arrests were made.

### \$120 Loot at Shop

Burglars broke open eight coin-operated machines and looted the money boxes of \$120 Saturday night at Hoagy's Cafe, 2538 Washington avenue, it was discovered at 9 a.m. Sunday. Entrance was gained by forcing a rear door. Loot were four pinball games, worth \$2 each, two billiard tables and a target-gun machine. A variety of loot was taken from the East 23rd street confectionery, 3008 East 23rd street, where a rear door was forced open to gain entrance.

Edward Kube, proprietor, said the items taken included an electric drill, assorted tools including a socket set, canned goods, cigarettes, cigarette lighters, lighter fluid, milk, pizza and cookies.

A box of straight razors, four toupees valued at \$285 and about \$25 in quarters were stolen in a burglary at the Razor's Edge Barber shop, 2880, 100 street, it was reported at 2:20 a.m. Sunday. Entrance was gained through an unlocked window.

### Newsboy Robbed

A newsboy, Dennis Johnson, 2107 Grand avenue, reported to police about 7:30 p.m. Saturday that he was accosted by a youth with a knife at 22nd street and Washington avenue who robbed him of all his money. The Johnson boy said his assailant pushed the knife at his side and demanded his money. He did not know the amount taken.

### Year's Delay Seen for County Redistricting

A deadline for reapportioning counties by July 1 may be delayed a year, a state legislator told the constitutional convention last week in Springfield. State Rep. Clarence Neff, R-Stronight, said the delay would give counties time to get the 1970 census. He said the governor is aware of the problem.

The legislation committee of the Madison county board of supervisors currently is considering various methods for reapportioning the county, which would reduce the size of the board from 49 to five through 29 members.

The State Legislature last year directed that if county reapportionment is not completed by the deadline, a county reapportionment commission would be formed to do the job.

If the delay is granted, the Legislature would have to appoint a commission to study the problem of reapportionment, which the governor vetoed last week in sponsoring an amendment. County officials prefer the weighted vote method, Neff said, as few township officials would be unseated as the reapportionment of their districts would be unchanged.

### Active Smith Role in Vote, Pollution Bills

U. S. Senator Ralph T. Smith tomorrow will join with Sen. Barry M. Goldwater of Arizona in sponsoring an amendment to expand voting rights in presidential elections. It will be submitted at the Senate Constitutional Rights Subcommittee hearing on a House-passed voting rights bill under which the Senate is expected to act before Sept. 1.

Smith also will press for an early vote on his "Health Hazards of Pollution Act" while he is in Washington. He said on Thursday afternoon, Smith will be in Chicago with President Johnson to receive a medal of honor for his role in the Great Lakes, and that night he will be honored at a large dinner gathering in Belleville.

### Falls Through Porch

Mrs. Doris Fudge, 127a Hampden street, Venice, reported to police at 8 p.m. yesterday that her cousin, Terry Joe Griffin, 17, had fallen through the floor of her back porch to the ground one story below. Officers, who investigated said they learned the boy was unhurt. Mrs. Fudge told police she had made requests of her landlord to repair the porch, but nothing had been done.

The victim said the youthful robber was fat. A Granite City youth who purchased a record album at Grant's store and then went back to take another one was caught by a store supervisor Saturday afternoon. The boy was turned over to juvenile authorities.

## Dr. Spalding Using Atomic Radiation to Find Tumors

Peaceful use of the power of the atom has been a goal ever since atomic energy was first used in warfare.

One of the constructive uses being perfected is an improved way of diagnosing brain tumors, including cancerous tumors, and one of those aiding the effort is a native Granite Cityer once known better here for his basketball prowess, Dr. Donald G. Spalding, 34, of Ave. C. The 1952 graduate of Granite City high school did his pre-medical study at Central College, Fayette, Mo., and then received a medical degree from the St. Louis University School of Medicine. He served in the Army for two years, holding the rank of captain.

The son of Mrs. Francis (Virgie) Daniel, 3124 College place, and of the late Donald E. Spalding, he is a member of the staff of the Department of Radiology at St. John's Mercy Hospital and is assistant professor of radiology at the St. Louis U. School of Medicine. An article by Dr. Spalding has just been featured in Missouri Medicine, a publication of the Missouri State Medical Association. Its conclusion:

"The technique of brain scanning in the evaluation of intracranial tumors deserves its rightful place in present-day medical practice equal to that of cerebral angiography (vascular techniques) and pneumoencephalography (air studies). It should become a part of the routine for brain tumor investigation preceding air studies and angiography."

**Detect Location, Type**  
In less technical language, it means that radioisotopes have given doctors a helpful additional tool in their fight against tumors.

The photographic scanning of gamma emissions—simple, painless, safe and completed within about 30 minutes—complements the other neurologic detection and diagnosis methods, pinpointing the precise site of the tumor and sometimes giving an idea of the type

of lesion by its appearance. The simple and accurate test is a valued addition to the initial screening of central nervous system signs and symptoms because there has been a gradual rise in the incidence of intracranial tumors in recent years.

Used in conjunction with the patient's history, a physical examination and the vascular and air studies, it is especially desirable where the frailness of the patient or the presence of a vascular disease makes other methods hazardous. "The advantage is essentially the complete freedom from complications and discomfort," Dr. Spalding relates.

**Dosage Kept at Low Level**  
The process usually utilizes radioactive iodine, mercury and technetium peroxide, with intravenous injection. It avoids beta radiation, and the gamma radiation is so brief that it assures a low radiation dose to the patient.

Scanning dates back 20 years, when fluoroscopy was used. In 1957, a photo scanner was developed at St. Louis, and since then there have been many technical advances.

With the improved equipment now available, usage has increased and it has been possible to make ample evaluation of the worth of the procedure. Its greatest value is in the diagnosis and localization of brain tumors, but it also can be used in the case of a cerebral hemorrhage. Best results are obtained from four to seven days after the stroke. Within two or three months, there is usually a clear clearing of the scanning has disclosed.

Dr. Spalding was able to pursue his specialty during his Army service moving from base to base to aid various patients.

Marrried and the father of three children, he is associated with Dr. Thomas F. Maher, Dr. Donald J. Hagan and Dr. Robert R. MacDonald.

## New Traffic Code To Benefit GC Financially in '70

Traffic fines collected by the city of Granite City—payable to the city treasury—are expected to double this year, since the city now has adopted a uniform traffic code in accordance with the state code.

William Portell, circuit clerk, said traffic fines reimbursed to Granite City through the traffic division of the circuit court amounted to \$40,691 last year, compared to \$80,424 paid to the city of Alton during the same period. Traffic cases are handled in the magistrate courts.

Alton has a model city ordinance covering all traffic violations, and Granite City adopted a similar ordinance late last December.

In the past, a number of traffic tickets issued by Granite City police were on state charges because the city did not have ordinances covering the violations.

## Brick Breaks Window

A brick was thrown through a window at the Lysbarger Material Co., East 23rd and Monroe streets, it was reported Thursday.

## County Public Aid Rises; November Rolls at 10,181

Madison County public aid rolls during November increased by 240 persons to a total of 10,181 recipients who were allotted a total of \$763,815 in the five major categories of public aid, according to a report released at Springfield by Harold O. Swank, director of the Illinois Department of Public Aid.

Aid allocations during the previous month of October totaled \$793,071 for 8841 recipients. The number of recipients and amounts of allocations increased in November in all divisions of the public aid program in Madison county with exception of blind assistance, the report showed.

Principal increase in November allotments was for aid to dependent children which was distributed to 5959 Madison county recipients. The November allotment of ADC payments amounted to \$387,454, compared with October payments of \$375,545 to 5884 recipients.

**Old Age Cost Up**  
Old age assistance payments for November amounted to \$161,830, distributed to 1382 recipients. October payments totaled \$150,647.

Disability pension payments totaled \$176,369 in November for 1128 persons, compared with \$170,127 for 114 persons during October, the report said. General assistance allotments for 1674 persons in November amounted to \$33,804, compared with \$31,365 paid to 1513 persons in October.

Blind assistance payments, the only public aid items to show a decrease in Madison county during November, totaled \$4168 for 37 recipients, compared to October payments of \$4847 to the same number of clients.

**Aid Roles Increase**  
At the state level, public aid rolls totaled 562,335 in Novem-

ber, an increase of 3418 over the previous month and 57,000 higher than November of 1968.

Swank said the net monthly increase of 3418 reflected a total decrease of 1214 persons in 40 counties, but an increase of 4632 in 62 counties. Cook county accounted for 38% of the increase for the state.

Increases in old age assistance, disability assistance and aid to dependent children more than offset decreases in blind assistance and general assistance, Swank said.

Total November expenditures statewide were \$44,613,442, a decrease of \$1,446,711 from October and an increase of \$3,767,333 over November, 1968.

## Parked Car Damaged

The parked car of William Ohlendorf, 623 Washington street, Venice, was damaged in the left front and left side about 7 a.m. Friday when struck by a car driven by Deborah A. Bettag, 221 Granite street, Venice, police reported.

The accident occurred in front of Ohlendorf's home. Officers said the Bettag car was traveling east on Washington avenue when the mishap occurred. Both cars had to be towed away.

## Police Training Course Offered to Supervisors

The University of Illinois Police Training Institute will offer a training program for law enforcement supervisors officers March 9-20 at the U. of I. at Urbana-Champaign.

John L. Gillis, president of the Mississippi River Festival board of directors, today announced the appointment of Nicholas P. Veeder as executive vice-president of the 1970 Mississippi River Festival.

Veeder is chairman of the board and chief executive officer of the Granite City Steel Co.

"We feel most fortunate to have a man of Mr. Veeder's talents working on the Festival. His leadership abilities will be called upon frequently," Gillis said.

The Festival is a cooperative venture between Southern Illinois University, the St. Louis Symphony Society and a non-profit citizens group. The Mississippi River Festival, Inc. A private fund drive is now under way by MRF, Inc., to raise \$75,000 to match an identical amount allocated to the SIU.

## Young Violinists Enter Second Year at SIU-SW

Richard and Troy Moore, young sons of Mr. and Mrs. Richard Moore, 3500 Franklin avenue, are entering their second year of study of the violin at Southern Illinois University-Southwestern.

Richard, five, began his studies at the age of 2 1/2, and Troy, now four, started studying at the age of three.

The boys have performed in several young violinists' concerts in the past 15 months. Besides their weekly lessons, they study under the direction of Dr. John Kendall and Kenneth Perry, directors of the string instrument department at SIU-SW.

Last summer both boys studied three days under Dr. Schmicki Suzuki who came from Japan, to direct the Suzuki workshop at SIU-SW.

Mr. and Mrs. Moore recently accompanied Richard to the University of Missouri at Columbia where eight SIU-SW students performed at a convention for string specialists and master teachers.

Richard and Troy currently are studying under the direction of Dr. John Kendall and Kenneth Perry in preparation for a concert to be held this month.

Arrangements of white gladioli and pom poms adorned the altar and hurricane lamps with white bows lighted the aisle through which the procession passed, the bride escorted by her father who gave her in marriage.

She wore a gown of white satin and Chantilly lace. The bodice featured a sabrina neckline trimmed with silk, and bishop sleeves of lace organza accented at the wrists with matching appliques. More of the lace edged the princess skirt which ended in a chapel train. A forward headpiece of petals and tiny seed pearls secured the bride's bouffant veil of silk illusion and she carried a cascade arrangement of white carnations, greenery and ivy, centered with a white orchid corsage.

The maid of honor, Miss Mary Hebda, a sister of the bride, and Miss Peggy Wagner, the

bridegroom's sister, bridesmaid, wore identical gowns of royal blue velvet styled with scoop necklines and long sleeves edged at the wrists with heavy Venetian lace. Lace also edged the Empire waists, and green satin bows and streamers trimmed the front and back.

They carried nosegays of light blue baby "mums" with dark blue velvet ribbon.

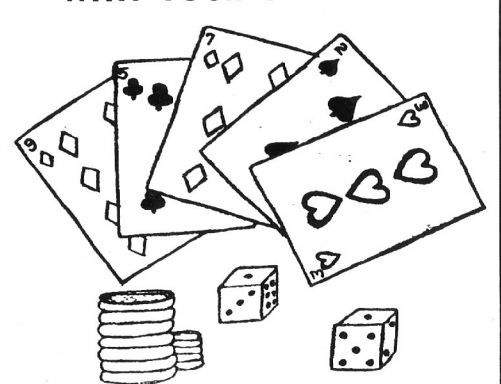

The bridegroom's brother-in-law, Heinz Brombauer, and Mark Wagner, a brother, served as best man and groomsmen. Dennis McBain and William Luebben were ushers.

For her daughter's wedding Mrs. Hebda wore an off-white metallic dress and coat ensemble, while Mrs. Wagner, the bridegroom's mother, chose a costume of light blue metallic cloth. Both wore silver accessories and orchid corsages.

The bride and groom are 1967 graduates of Granite City high school, and the former Miss Hebda is employed in St. Louis by the Southwestern Bell Telephone Co.

**FOR CUB PACK 7**

A pet and hobby show was the highlight of the Thursday night meeting of Cub Pack 7, held in the Pack Room of St. Joseph Catholic Church.

The opening flag ceremony was by Den One with Mrs. Jean Stanfill, den mother in charge. Boys taking part were Wesley Stanfill, John Courtwright, Brad French, Jackie Nelson, Joseph Theis, Billy Dixon, Dwayne Potts and Richard Buecker.

Andy Timko, cubmaster presented Dwayne Potts with his Bobcat pin, and encouraged more achievement for all the boys. He reminded the boys of the "Scout Sunday Birthday Mass," Feb. 8, at 9:30 a.m. at the church.

Joseph Giesler, assistant cubmaster, read a thank you card from Mrs. Ruth Courtwright, who had received a flower from the Pack. She is recuperating from a broken ankle. A card was also received from Sp/4 James Holland, who had received Christmas cards and a gift from the Pack.

The cubs sang scout songs, while the show judges, Jack French, Mrs. Richard Buecker, and Mrs. Peggy Gaudreault were awarding Blue and Gold ribbons for the pet and hobby displays. Each scout then spoke on his hobby and answered questions. The scouts all received awards. Entries included those from members of Den 1, and also from Den 2 boys, Darren Giesler, Steven Patrick, Robert Patrick, Gerald Norton, Paul Perdue, Juan Jose Ortiz and John DeKuntz.

Decorated Valentine boxes, which the boys had created from cigar boxes, were presented by each cub scout to his mother.

The "Genius Night" theme for February was announced and rules given out. The "Cub by Award" was won by Den 1. Refreshments were served following the meeting by the den mothers. The next Pack meeting will be Thursday, Feb. 26.

## Miss Burich Is Engaged

Mr. and Mrs. Anton Burich, 1424 Grand avenue, are announcing the engagement and coming marriage of their daughter, Miss Mary Alice Burich, to Edward Pernic, a son of Mr. and Mrs. John Pernic of Willard, Wis.

The prospective bridegroom, a graduate of the University of Wisconsin, is presently serving with the U. S. Armed Forces in Germany.

Miss Burich graduated from Granite City high school and attended Drake University. The wedding will take place March 14 at St. Joseph Catholic Church in Granite City, after which the couple will leave to reside in Germany.

## Hoy-Settlemoir Nuptials At St. Elizabeth Church

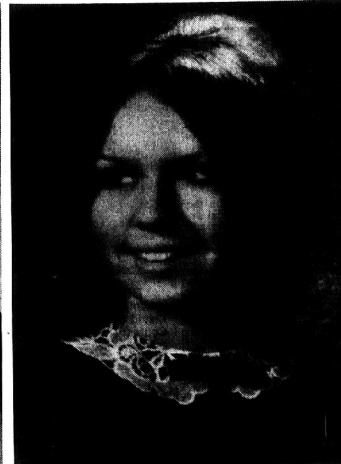

Miss Cynthia Ellen Settlemoir became the bride of Michael Lee Hoy Friday evening at St. Elizabeth Catholic Church.

The parents of the couple are Mr. and Mrs. Edward J. Settlemoir, 2622 Dale avenue, and Mr. and Mrs. Clarence Hoy, 2309 Lynch avenue.

The Rev. Lawrence Mattingly officiated at the 7 o'clock ceremony. Bouquets of white flowers decorated the altar and white satin bows marked the family pews.

A Victorian style gown of ivory brocade was worn by the bride. It was designed with a floor-length skirt, a high waistline and long sleeves. A bouffant veil of silk illusion was held in place with a matching brocade bow, and the bride carried an old fashioned bouquet of baby breath, white carnations, stephanotis and ivy.

Mrs. James Strack, a sister of the bridegroom, was master of the bridegroom.

**ENGAGED.** Miss Janice Piechocinski, who will be married to Patrick J. Ventura.

It was presented by Den Chief Bud Gaines and consisted of a neckerchief and slide.

The meeting was closed by the cubmaster and year pins were presented to each of the leaders. Assistant Cubmaster Joseph Wallace and committee chairman William Stacey, Frank Rodgers Jr. and Den Mother Elsie Woods. Refreshments were served to 43 Scouts and their families.

## Service League Adds Members

A membership tea was held Thursday evening at the YMCA by the Republican Women's Service League, with Mrs. Rose Mary Kaburek.

Theme of the program was "Politicking Can Be Fun," and guests were present by club members, demonstrating projects in which the club has participated and the humor and problems of campaigning.

Guests who joined the league were Mrs. Marge Hilker, Mrs. Delores Wiser, Miss Virginia Segar, Misses Louise and Susan Reese.

Mrs. Reese announced the club will attend a city council meeting Feb. 23 to study government and that the next league meeting will be Feb. 25 at the home of Mrs. Peggy Dickey.

James Strack was best man for Mr. Hoy, and the groomsmen included Robert Strack, John Bordenkircher and Larry Wood.

For her daughter's wedding Mrs. Settlemoir chose a pale yellow costume and a corsage of yellow carnations trimmed with moss green ribbon. Mrs. Hoy, the bridegroom's mother, wore a light green ensemble and pink carnations tied with rose pink ribbon.

The wedding reception was held directly after the ceremony at St. Elizabeth Church hall. The newlyweds will make their home in Champaign where Mr. Hoy, a junior, is majoring in industrial engineering at the University of Illinois.

The former Miss Settlemoir attended Concordia Teachers College and SIU-SW.

## Miss Dianne Lynn French, Walter Westcott are Wed

Miss Dianne Lynn French and Walter Edgar Westcott Jr. were married Saturday afternoon at the First United Presbyterian Church.

Their parents are Mr. and Mrs. Earl French, 1614 Clark avenue, and Mr. and Mrs. Walter E. Westcott Sr. of Stamford, Conn.

Dr. David B. Maxton performed the 3 o'clock ceremony before the altar holding an arrangement of white and yellow pom poms and gladiolus flanked with palms, and candles lighted the aisle through which the procession passed. Blue bows, yellow sweetheart roses and miniature white carnations adorned the standards.

Mr. French gave his daughter in marriage. She chose a gown of peau de soie with imported Chantilly lace trim. The Empire bodice had a high oval neckline outlined with lace, and the sheer bishop sleeves, detailed with applied lace, had lace cuffs. A gentle A-shaped skirt was trimmed with scattered lace motifs and a detachable train of peau fell from the waistline. It, too, was detailed with lace motifs cascading down the back and finished with a wide border of lace edging the hem.

A profile headpiece of orange blossoms framed the bride's face, holding in place her melody veil of French illusion. She carried a cascade of yellow roses, miniature white carnations and ribbons.

Kenneth MacClatchey presided at the organ and accompanied the vocalist, Mrs. Joseph Bilibrey Jr., as she sang, "The Greatest of These is Love" and "Wedding Prayer."

Miss Lucia Barbieri, maid of honor, and Miss Debra Teller, bridesmaid, were dressed alike. Their gowns were of royal blue crepe, trimmed with white lace. Both held colonial bouquets of yellow roses and white carnations.

Elton Hall was best man and Alan G. Tucker of Fordville, Ky., Harry Burke, Darien, Conn., and Steve Wood of Canastota, N.Y., served as groomsmen and ushers.

Miss Debbie Hightower and Miss Janette Runk lighted the candles, and Gerald Scott Ezell, the bride's cousin, carried the rings. Miss Cindy Ezell, another cousin of the bride, presided over the guest book.

For her daughter's wedding, Mrs. French chose a brown and white costume with matching jacket, while the bridegroom's mother wore a gold sheath dress and coat. Both wore yellow cymbidium orchids.

A reception was held at the church immediately after the ceremony and the newlyweds left for a tour of the midwest. They will live in Murray, Ky.

The former Miss French graduated from the local high school in 1967. She is now a junior at Murray State University in Murray, Ky., majoring in agriculture and geography, and is also serving as secretary of Gamma Theta Upsilon, honorary geography society. Mr. Westcott graduated from a Stamford high school and received a BS degree in chemistry from Murray State, where he is now a graduate student and a member of Gamma Theta Upsilon.

The rehearsal dinner was given Friday evening at the Rose Bowl by the bride's parents. Out-of-town guests here for the wedding, beside those in the wedding party and the bridegroom's parents, were Mr. and Mrs. J. C. Armstrong of Lincoln, Neb., and Mr. and Mrs. Gerald Ezell of Odell, Ill.

MR. AND MRS. WALTER E. WESTCOTT JR., who were married Saturday at First United Presbyterian Church.

## Miss Sharon Lynn Smith, S. C. Hayes Wed in Alton

The wedding of Miss Sharon Lynn Smith, daughter of U. S. Senator and Mrs. Ralph T. Smith, 1 Signal Hill drive, Alton, formerly of Granite City, and Seigle Charles Hayes, whose parents are Mrs. Seigle Clyde Hayes, 1302 Washington avenue, Alton, and the late Mr. Hayes, took place Saturday evening in the College Avenue Presbyterian Church in Alton.

The candlelight service was solemnized at 7 o'clock against a background of woodwinds and fern, white flowers and lighted tapers. The pews were marked with candelabra holding white candles garlanded with smilax, and white flowers tied with white satin bows.

Rev. Arnold O. Levenenz heard the vows of the couple at 7 o'clock, and a reception was held immediately afterward in the Sky Room of Hotel Bradford in Alton.

A program of wedding music was provided by Mrs. June Branding of Granite City, vocalist, accompanied at the organ by Dr. Marquis P. Barndolph of Alton. The songs were "The Ring" and "Be Thou With Them."

Senator Smith gave his daughter in marriage. She was lovely in a gown of candlelight sateu designed with short sleeves and a Victorian neckline. A band of crystals and pearls outlined the neck and defined the Empire waist. The controlled skirt ended in a court train and the formal length veil of silk illusion and Alencon lace, etched with pearls and crystals, was worn over a pillbox of tulle.

In lieu of the traditional bouquet, Saturday's bride carried a small white Bible, a gift from her maternal grandmother, the late Mrs. Harry J. Anderson, adorned with a cascade of lilies of the valley and a cluster of small white catcuya orchids.

The matron of honor, Mrs. Robert Settles, of Alton, and bridesmaids, Mrs. Michael Pryor, of Bloomington, Mrs. John Benay, Alton, and Miss Jamie Byers of Granite City, a cousin of the bride, were dressed alike in floor-length gowns of candlelight, peau de soie and brown chiffon. The bodices of the gowns were designed with Peter Pan collars and cuffs of Candelight. Candelot bonnets of peau de soie complemented the gowns and all four attendants carried single, stylized yellow Victorian roses.

Edwin Pelot of Alton, a brother-in-law of the bridegroom, was best man, and Peter Chiste, another brother-in-law, Robert Settles and Schubert Crestwell, all of Alton, served as groomsmen. Ushers were William Sherwood, William Bund, Glen Borgmeyer of Granite City, a cousin of the bride, and Miss Deborah Jo Byers and Miss Carol Ann Schmidt, of Granite City, cousins of the bride, lighted the candles.

For her daughter's wedding, Mrs. Smith chose a formal gown of pale mist blue and gold lame sari silk made on a Grecian lines with a sleeveless bodice. Mrs. Hayes, the bridegroom's mother, appeared in a gown with an A-line skirt, a long-sleeve Empire bodice of mariner blue crepe, the waistline and cuffs trimmed with silver braid. Both wore white hybrid cymbidium orchids.

A graduate of Millikin University and Decatur Memorial Hospital School of Nursing, the bride is presently employed at Shriners' Hospital for Crippled Children in St. Louis. Mr. Hayes graduated from SIU-SW and is a programmer analyst employed by the Olin Mathieson Chemical Co. in Alton.

After a honeymoon in East Stroudsburg, Pa., the newlyweds will reside in St. Louis. Out-of-town guests attending the wedding were from Washington, D. C., Shreveport, La., Houston, Tex., Ann Arbor, Mich., Decatur, Ga., Springfield, Chicago, Lansing, Ill., St. Louis, Granite City and other cities in this area.

## CHURCH DEPARTMENT HOLDS BOWLING PARTY

The Senior High department of Third Baptist Church held a bowling party in the SIU-SW Center Saturday evening.

## Warrior Cagers Trample Maroons

In a defensive contest, the zone press of the Warriors ascended on the Maroon's man-on-man defense during the final period for Granite City to triumph 55-43 at Belleville West Friday.

The score stood 11-11 after the opening period and 24-24 at halftime. The Warriors, precariously, led 34-33 after the third period.

Tim Schwedeman paced the win with three field goals and seven free throws for 13 points. Terry Ripka tallied ten, Jeff Boyles nine, Mike DeRuntz eight, Joe Wallace six, Steve Harris five and Dave Melzer four.

In three previous outings, the Warriors' had slumped to an average of 35 percent field goal accuracy. Friday night's hitting of 46 percent kept the Warriors still below the 45 percent season's average and far below the percentage Coach Don Detenber believes the players are capable of hitting. But the Warrior coach was satisfied with the shooting performance, considering the difficulty the man-on-man defense posed earlier this season, when GCHS lost 65-58 to the Maroons.

Detenber led GCHS rebounding with 18 rebounds. Detenber commented that the strong overall defensive showing was especially evident at the enemy backboards but predicted a stiffer challenge at the boards in the next outing, on the road, Friday, against East St. Louis, a team with higher jumping players than the Maroons.

In the last meeting with East Side, Granite City squeaked out a 54-53 victory. At Belleville West, the team that began the season as the patsy

of the Southwestern conference will visit the GCHS hardwood Saturday evening. The Tigers lost to Alton by one point Friday, 56-55, and before that, lost to Collinsville by only five points. In a non-conference game last Tuesday, Edwardsville whipped Madison 66-45.

Both the Flyers and the Tigers employ the zone defense against which the Warriors have had some excellent success this season. Granite City's Warrior cagers will have fine opportunities to try their zone defense if they can retain the momentum they gained at Belleville.

The prospects for keeping the momentum during this idle week are good, as healthy competition for starting spots is likely. The recent strong showings by Wallace and Ripka make them contenders for the starting five.

**HARD WEEK FOR SOPHS**  
Warrior sophomores face a heavy week of play, visiting Belleville Tuesday and visiting Alton Thursday, all at 6:30 p.m.

On Thursday, dividing into A and B squads against Alton, GCHS fought hard for two wins. Coach Dick Harmon said of a contest, won 76-62, "It was a good ball game. They'd play good ball and we then we'd move to a big lead several times."

Granite City led at the quarters 15-11, 36-23 and 52-40. Kevin Dyer led the scoring with 31. Chuck Kraus 13 and John Jennings 10.

The B game went into overtime. Granite City won 42-40. Mark Whitworth and Randy Edelman each tallied 12.

**MADISON SOPHS DOWN**  
Collinsville sophomore downed Madison 70-52 Thursday. At the quarters, the Hawks led 21-12, 36-23 and 59-38. Darrell Fletcher of MHS paced the effort with 15, Edward Chandler scored 13 and Terrence Young 11.

**DUNBAR LACKS ONE GOAL**  
Dunbar of Madison was one field goal short of a win over Hughes-Quinn at East St. Louis, losing 26-27 Thursday.

Coach Charles McCaskill of Dunbar commented that several strong Hughes-Quinn players had an edge under the covers. But Coach McCaskill looks forward to his Bears' season finale, when Hughes-Quinn visits the Dunbar gym Tuesday at 3:15 p.m.

Top Braves scored Thursday were Chris Stanley, 12, and Derrick Collins, eight.

## Trojan Rally Almost Enough Against Shells

Short on manpower, the Trojans lost their outside chance for a Midwestern Conference championship in losing to Roxana 83-88 here Friday.

Midwestern standings are now: Triad 7-1, Bethalto 6-1, Roxana 3-3, Madison 2-3, Highland 2-4, O'Fallon 0-6.

At 8 p.m. Tuesday, Madison will host another league opponent, Dupu, which is winless in 18 outings.

In Friday's loss, MHS was without the services of five players. Douglas Griggs was out with the flu, Oscar Hagler, Joe Dozier, William Cannon and Chuck Dandridge were not in uniform due to missing a practice session.

Roxana led at each quarter, 24-17, 51-37 and 70-58.

### SCOUTS STUDY BANDAGES

Junior Girl Scout Troop 1129 met at Mitchell school Wednesday with the leader, Mrs. Marie Steinhilber, assisted by Mrs. Donna Hermann. The meeting opened with the flag pledge. Patrols collected dues and roll call was taken.

A discussion was held on the possibility of holding a skating party instead of a valentine party.

Work was finished on the "my trefall" badge, on which a rest will be given at the next meeting. The health aid badge was started, with patrols working on three uses of triangle bandages. The meeting closed with "Taps."

Girls present were Claudia Breckner, Pam Clements, Cindy Dew, Denise Flaughner, Susan Jay, Theresa Jay, Rhonda Steff, Dawn Stone, Patty Wells, Diane Wells, Paula Reagan, Rene Pauley, Beverly Bonds, Cindy Fuhrman, Lisa Conner, Barbara Kauble, Pam Moore, Gail Fetter, Brenda Brown, Gloria Revelle, Laura Brown, Cora Byrd, Rhonda Farmer, Patty Townsend and Betty Wilson.

### EIGHTH BIRTHDAY

Johnnie Nash, a second grade pupil at Parkview school, celebrated his eighth birthday Saturday evening at the home of Mrs. Marsha Goucher, 641 Ashland avenue.

A spaghetti supper was enjoyed and a birthday cake decorated in the theme of baseball players was the table centerpiece.

Those present included his mother, Mrs. Peggy Morris, his brother, Morris, and Tina and Sharon Goucher.

### CUB PACK 141 HOLDS

PINEWOOD DERBY  
Cub Pack 141 met Wednesday at Mitchell school. Mrs. Mary Pearson's Den Five gave the opening ceremony.

Cubmaster Russell Edwards presented bobcat pins to Randy Cameron and Paul Stratton, and Darrell Buettner received his one-year pin. Robert Baxter was presented his wolf badge and a recruiter emblem.

In Webelos Den Three, Chris Hendrix received his athletic award, Leslie Burton the sportsman and athletic award and John Moore the sportsman award. Mark Starling of Webelos Den One received the artist and outdoorsman awards.

Den Three and Mrs. Arlene Edwards' Den Five tied for the attendance robot. The annual pinewood derby was the main event of the evening. Winners for best design were: first place, David Hackett; second place, Rusty Edwards; and third place, Dennis Long. For speed, the trophies went to Mark Starling, first; Mark Presley, second; and Danny Fuhrman, third.

## R. W. MacVicar to Be President of Oregon State U.

Chancellor Robert W. MacVicar of the Carbondale campus of Southern Illinois University and former vice-president for Academic Affairs at both the Southwestern and Carbondale campuses, will leave SIU to become president of Oregon State University at Corvallis on July 1.

MacVicar became the first chancellor of SIU at Carbondale July 1, 1968, in a University-wide reorganization.

"My sincere best wishes go to Chancellor MacVicar as he moves to the presidency of Oregon's Land Grant institution," SIU President Delyte Morris said today, "but his leaving will mean a great loss to Southern Illinois University."

Dr. Morris said Dr. MacVicar "is widely known and respected as an educator, and his relations both with the faculty and students are exceptional."

Perhaps his greatest single contribution to Illinois has been his imaginative initiation of an SIU medical school without walls, a plan applauded by the medical profession, legislators and laymen in a time of great need.

Dr. MacVicar joined SIU in 1964, coming from Oklahoma State University where he has served 21 years as a teacher, researcher and administrator. For 11 years before accepting the SIU position he was dean of the Oklahoma State Graduate school, and from 1957 to 1964 he also was vice-president of academic affairs at the institution.

He was born in Princeton, Minn., and was an honor graduate of the University of Wyoming, received a master's degree in chemistry from Oklahoma State in 1940 and a Ph.D. in biochemistry from the University of Wisconsin in 1946. He is a colonel in the Army Medical Corps Reserve.

## 4 Quad-City Couples Given Divorce Decrees

Four area couples have been issued divorce decrees in Madison county circuit court at Edwardsville. They are:

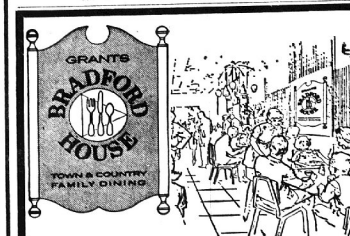

Frances Edward McBride Jr. of Madison from Kathleen Marie McBride of Granite City. They were married April 26, 1968, and separated Aug. 1, 1969. Mental cruelty was charged.

Betty Jo Henry of Granite City from Donald A. Henry of Billingsham, Wash. They were married Nov. 3, 1955, in Leesville, La., and separated June 15, 1967. Desertion was charged. Custody of one child was given to the mother.

Linda Sue Valencia from Rufus Valencia, both of Granite City. They were married Jan. 4, 1963, in Greenville. Mental cruelty was charged. Custody of two children was given to the mother, and the father was ordered to pay child support of \$25 per week.

Robert Shultz of Granite City from Rebecca Susan Shultz of Greenville. They were married April 13, 1968, in Mulberry Grove. Mental cruelty was charged.

## CLEAN AIR FOR THE 70's

Is air pollution a problem to you? If so, please answer this questionnaire to help us clean up the air.

What do you consider to be the worst polluters of air in your area?

Are exhausts from autos, busses and trucks a problem in your area?

How bad?

Name Address

Send to: Representative Horace L. Calvo  
Chairman, Downstate  
Air Pollution Subcommittee  
1950 State Street  
Granite City, Illinois 62040

## Quick Response for Calvo On Air Pollution Protests

Initial response to a public appeal for Quad-Cityans to submit air pollution complaints was on a neighborhood incinerator in the East Granite area.

State Rep. Horace Calvo told the Press-Record.

Calvo, who is chairman of the Downstate Air Pollution Subcommittee, said he is seeking all the data he can obtain from throughout the district for presentation not only to the state Air Pollution Control Board but also for study by the legislative committee.

"With grassroots complaints, we can determine if changes should be made in the present control laws and what steps are necessary," he explained.

"We want to know how people think and just what the actual conditions are in neighborhoods or communities."

"With this information from the public, officials of the state clean air board and the state legislators will know just what is going on in this area and what is expected of them," the representative stated.

## No City 'Lug,' No Ticket 'Fix,' No Harassment, Clerk Told

Granite City municipal employees pay no "lugs" to keep their jobs and there is no fixing or arrest tickets, Mayor Donald Portney told the Press-Record in a letter today answering Circuit Clerk Willard "Butch" Portell's charge last week that there is anti-city pressure by the mayor.

Portney challenged Portell on the "lug" issue (return of part of an employee's pay to his employer) in noting Portell's claim that "the clerk's office has done a tremendous job."

The mayor said the elimination of ticket "fixing" has increased the magistrate caseload, prompting city expansion of the courtroom. Portney denied that he has ever advocated taking court services out of Granite City, and cited the expansion as evidence of the municipal government's desire for the court.

### Space Painted Twice

"He states that I have refused to paint the office space used by the courts. This is a lie. These courts and office spaces have been painted twice since I have been mayor, at the expense of the Granite City taxpayer, as we could not let the offices in the city hall deteriorate."

"Butch states that the courts had to implement a courtroom

the magistrate Division. The city, at their expense, had to enlarge the magistrate courtroom. After I was elected mayor and stopped the fixing of tickets, the flow of business increased so much, which is a matter of record."

"Butch says, 'All in all I believe the clerk's office has done a tremendous job.' Although it sounds like a bit of bragging, I go along with this type of bragging, but not to the extent of a monthly 'lug' on the employees."

"Butch says 'constant harassment' by Mayor Donald Portney." Is this called harassment? Four letters asking for financial help from the clerk's office, due to the fact the courts use 437 square feet of office space, is set by a member of the Real Estate Board to be worth on the monthly fee basis \$497.75 yearly.

"I have not asked Butch even for a rental fee—only some aid in the janitor service that is costing the taxpayers of Granite City \$1192.69 per month."

"Since his office receives 2% commission on all fines that amounts to about \$50 per month. And if all of the city's offices will not allow this, the city will lose because we have a financial problem, as there is no lug placed on any city employees."

"I am not interested in political hacks and their crying every time they get pinched."

"I am only interested in the taxpayers of Granite City, being one myself, and letting the other taxing bodies carry their own load."

"Will the editor kindly print this answer to the harassment charge by Butch?"

## Mrs. Minnie Dotzauer, 76, Dies at Columbia

Mrs. Minnie L. Dotzauer, 76, of 6045 Rapp road, Columbia, Ill., the mother of Earl Dotzauer, vice-president and auditor of the First Granite City National Bank, died unexpectedly at home of an apparent heart attack at 11:45 a.m. yesterday.

Mrs. Dotzauer was believed in fairly good health, although she had been under the care of a physician for a heart ailment for several years. She had attended morning worship services at St. Paul's Lutheran Church in Columbia yesterday, and was found by her husband, seated in a rocking chair in the bedroom, shortly after the couple returned home.

A 30-year resident of Columbia, Mrs. Dotzauer was born in Freeman, Mo. She had visited her son and daughter-in-law here on many occasions.

Surviving are her husband, Arthur Dotzauer; a second son, Howard Dotzauer of Columbia; two daughters, Mrs. Oliver (Hazel) Roessler and Mrs. Maurice (Myrtle) Schneider, both of Columbia; one sister, Mrs. Lena Lambeth of Independence, Mo.; five grandchildren and five great-grandchildren.

Funeral arrangements are given in today's obituary column.

### Board Damages Auto

Mark C. Estes of Belleville reported to Venice police at 12:15 a.m. Saturday that a board flew through the windshield of his auto as he was traveling on Bisset street and making a turn onto Refound street. Estes said he saw no one and had no idea where the four-foot long 2x6 board came from.

### Shoplifter, 15, Caught

A young shoplifter, 15, was caught with five light bulbs in his pockets at the Belmore Village Tru-City grocery on Thursday. He was referred to the police juvenile officer.

## Nameoki Area To Pay for Fire Calls Until May 1

Residents of the Nameoki township area that voted last June 6 to annex to the Long Lake Fire Protection district must continue to pay \$100 for a fire call to their homes, if one necessary, until May 1, it was pointed out today in response to inquiries regarding insurance policies that continue to carry the \$100 fire insurance riders.

The \$100 fee requirement was continued until May 1, when a date under a resolution adopted by the Long Lake Fire district trustees last Dec. 2 because the extension of a tax against property of the annexed area would not produce tax income for the district until this summer.

The heavily populated area of Nameoki township which voted to annex to the Long Lake district was served by the Granite City fire department until November 1967, when the city discontinued fire calls to any location outside the Granite City limits. The Nameoki area remained without fire protection until it voted last year to become part of the Long Lake district.

Like residents of the Long Lake district, Nameoki residents in the annexed area will begin paying taxes within the district this summer. The tax rate extended for residents of the Long Lake Fire district was 10 cents per \$100 assessed valuation.

## Ebersoldt Challenges Stand by GC Council

William Ebersoldt, replying to Granite City Council action of the Levee Board last week, said Saturday that Granite City had been a part of the cause of the drainage problem at Dobrey slough and not the Nameoki area drainage ditch.

"There are plans for the ditch to be cleaned, but it was a drainage line, 18 inches in diameter, that emptied into Dobrey slough that was adding to the flooding problem. 'In fact,' Ebersoldt said, 'is a levee district trustee, said, "We have been pumping the drainage problem at Dobrey slough and not the Nameoki area drainage ditch."

"The city doesn't need to blame the drainage problems on the ditch. The problem area is around Dobrey slough where the city continues to issue building permits and create added drainage difficulties."

"If a problem with the ditch arises," Ebersoldt continued, "it probably will occur at Edwardsville road where the Nameoki ditch goes under the railroad tracks to empty into Horseshoe Lake and where the city's new drainage ditch connects at a right angle."

"I can't figure out where Mayor Portney gets the idea to sue the levee district. As a trustee, I've made numerous trips to Springfield, conferred with national and state officials and worked with state and federal civil defense officials to help Granite City obtain allocations of federal disaster funds."

Ebersoldt pointed out, "As the Madison county representative on the levee board, I want all the aid I can get for this area, and there are plans to clean the ditch, but Granite City should watch the issuance of building permits in the vicinity of Dobrey slough where developers are filling up the slough with landfill and then

trying to drain more water into it."

"We've tried to get cooperation on compliance with a levee district ordinance requiring adequate drainage before development of areas, but so far there has been very little."

"The drainage problem can't be solved that way," Ebersoldt concluded.

Survivors include his wife, Mrs. Violet Parrish of Bernie; four sons, James A. and Donald Parrish of St. Louis, Rudy Parrish of Bernie and Raymond Parrish of Cahokia; five daughters, Mrs. Frank (Luelle) Lamb, St. Charles, Mo.; Mrs. Clarence (Ida) Rulo, Mrs. John (Thelma) Davis and Mrs. Joseph (Barbara) Rulo, all of St. Louis and Mrs. Leonard (Geneva) Norman of Cahokia.

Two brothers, Oscar Parrish of Madison and Wilburn Parrish of Carbon Hill, Ala.; three sisters, Mrs. Hazel Duncan and Mrs. Marie Files, both of Granite City, and Mrs. Minnie Speck of St. Louis; 35 grandchildren and eight great-grandchildren.

Funeral arrangements are given in today's obituary column.

Mr. Parrish, who had been ill with a heart ailment for about 10 years, was staying with a sister here to recuperate from surgery which he had undergone about three weeks ago at St. Louis City Hospital. He was struck at the home of Mrs. Marie Files, 2813 Pershing blvd., who said Mr. Parrish had been visited by other relatives just prior to his collapse.

He was a native of Alabama and lived here until moving to Bernie about 20 years ago. He retired as a millwright for a St. Louis firm 10 years ago. He was a member of the Pentecostal Church.

At that time, Zabotka reported, a fourth man came out of American Sales Department store, looked toward the police cars and then started walking in the opposite direction. Ralph Brawley, assistant chief of Venice police who was in the Venice police car, said he saw the man throw what appeared to be a wallet into a doorway.

**Find ID Cards**

Brawley apprehended the man on foot, later identified as Davis, and recovered the wallet. Near the wallet were yellow scraps of paper which police gathered. Zabotka said they were pieces of a check on which the account number matched other bogus checks that have been turned in to Madison police in other recent attempts to pass forged checks. In the wallet, Zabotka said, were identification cards, one made out in the name of George Mills, which he said was the name used on the check that Nornberg had been asked to cash.

Zabotka said Nornberg identified Jones as the man who attempted to pass the check in his store earlier in the day, and Roy Slancic, operator of the Ice Liquor store, identified Jeffries as the person who attempted to pass a similar check on his store on Jan. 27. Other identifications were made by Mr. and Mrs. William Harrison of American Sales in connection with four alleged attempts to pass similar checks at their store.

The four suspects were arraigned before Magistrate Matraien in Granite City Friday. Bonds were fixed at \$500 each. Ward was released on \$500 cash bond Friday afternoon and the other three were taken to the County Jail at Edwardsville pending grand jury action.

### Car Door Damaged

The right front door of an auto driven by Timothy Evans, 182 Viola Jones Homes, Madison, was damaged about 8 p.m. yesterday when the car grazed a fire plug at Second and Bisset streets, according to a report to Madison police. Evans told officers he was southbound on Second street and making a turn into Bisset when he came too close to the fire plug.

## Youth, Father Sue for \$23,500 Over Accident

A suit for a total of \$23,500 was filed for David Mang, a minor, and his father, Clifford Mang, against Earl M. Earls in Madison county circuit court at Edwardsville.

The complaint alleges that the youngster was injured when he was riding a motor bike owned by Earls at the Earls home at 2637 Edison avenue last July 28. The cycle ran into a hole in the yard which was concealed by grass. The suit seeks \$20,000 for David Mang and \$3500 for his father to cover medical expenses.

### Eskimo Pupils Start Band

## Used Instruments Needed For 'Band in the Bush'

Discarded musical instruments, including those needing repairs, are being sought for Eskimo school children who live in Mountain Village, a small bush community on the lower Yukon River in Alaska. The appeal, initially made 15 days ago by Fred Stille, a member of Washington grade school faculty and a former teacher at Mountain Village, resulted in donation of two clarinets for the Alaskan youngsters.

Stille said any type of musical instrument, whether in working condition or repairable, will be appreciated, but he noted that clarinets and cornets are easier to ship.

Persons wishing to donate instruments to the Eskimo pupils may contact Stille at 576-0317 or 577-3852.

### School of 100

The remote village school, which is part of the Bureau of Indian Affairs educational system, has a student body of 100 pupils in grades one through eight. To help acquire instruments, the band members currently are selling school supplies and other sundry items.

Cost of any musical instrument is high and the children can use all the assistance they can get to purchase even new or used one, Stille said, to explain his search for discarded instruments here.

Mountain Village started its 1969-70 school year with a new approach to music. After being told what they might expect, in regards to lack of instruments, 34 upper elementary students signed up for a newly-formed music class.

The youngsters met three days a week after school to study general music theory and, with a \$100 grant from the Mountain Village Women's Club, plus funds contributed by the students personally, the entire group was outfitted with song flutes and rhythm instruments.

According to their principal, teacher, Robert L. Henry, it took the instruments six weeks to arrive, but as soon as they did, they were put to immediate use, applying the recently learned theory.

### Village Enthusiasm

Progress was rapid, and by the end of December three performances had been given by the school band. All were received with enthusiasm by the village residents—as has the entire band project, Principal Henry said.

A fourth performance is planned this month, which will be the last of the song flute rhythm band performances, the school principal explained, pointing out that the group has gained all the music fundamentals, skills and perceptions to qualify them for regulation band instruments.

One outgrowth of the music

programs was the development of a special group called "The Happenings."

Composed of eight girls and six boys, the group already has proved to be the highlight of any public presentation. Reports note that the students have as much fun entertaining with songs, singing and playing their instruments, as the audience has in watching and listening to them.

### Adult Choir Forms

The Mountain Village school's new music program has resulted in a second favorable offshoot—formation of an adult choir and guitar classes. General village interest in music is remarkable, the principal notes, commenting that while the band is for school children, many older teenagers and adults "want a piece of the action," hence formation of an adult choir.

The guitar class predominately is made up of students, but several young adults also participate, many older teenagers and adults "want a piece of the action," hence formation of an adult choir.

### Music Lovers

"Development of a school band has made the community conscious and appreciative of music as a form of entertainment and for many of our people a rewarding participant activity," the schoolmaster said.

In addition to fostering a healthy school-community relationship, there are other benefits manifesting themselves, he explained. Students need practice in developing self-expression, self-assurance and leadership. Participating in the band appears to be accomplishing this.

The program also is viewed as a natural avenue facilitating the transition into a new culture by capitalizing on an inherent sense of rhythm from their native culture. Another obvious reward is the pride of belonging and taking part in a somewhat "elite group" and, moreover, Principal Henry said, "It is fun."

With community-wide support and student talent the music program has a bright future, furnished only by the lack of funds and instruments.

Local fund-raising projects and the gift of a dozen music stands, together with local and outside contributions of money, have given an encouraging but limited beginning to a new concept of life, in the predominantly Eskimo community.

Anyone wishing to assist the village children is invited to contact Stille for further information. Donated instruments will be picked up by the local teacher, who plans to ship contributions to Alaska early next month.

### Completes Basic Training

### BROWNIE TROOP 620 STUDIES SCOUT LAWS

Kathy Cornelison, Lisa Grimes, Tami Palmer and Beth Harp participated in an opening flag ceremony at Wednesday's meeting of Brownie Troop 620. The troop, sponsored by the Nameoki PTA, meets each week at the home of the leader, Mrs. Linda Harp, 1624 Moro avenue. Mrs. Sandra Szadai is also a leader of the troop.

Mrs. Harp presented "world friendship" plans to the Brownies named and Suzanne Szadai, Kessy Papp, Susan Baarich, Kelly Smith, Tammy Williams, Terri Barnett, Nancy Worley, Sandy Cavin, Jacqueline Boatman, Bonnie Taylor and Laurie Webb. The troop sang "Happy Birthday" to Terri Barnett, and discussed the scout. Thinking day, Girl Scout laws were read and practiced by those who will be "flying up" in the spring. Plans were made to begin making "sit-ups" at the next meeting.

Kathy Cornelison displayed several vegetable plants she had prepared. The troop will observe the growth of the plants during the coming weeks. The meeting closed with "Taps" and a Brownie ring.

### OAKLAND TERRACE CLUB HONORS MRS. ENGLAND

The Oakland Terrace Women's club met Wednesday afternoon at the home of Mrs. Lucille Etheridge, 15 Terrace lane. Co-hostess was Mrs. Mary Lou Worthen.

A dessert luncheon was served to 16 members. Spring flowers decorated the serving table, and the spring flower theme was carried out in the napkins.

Mrs. Lucille England, who is moving to Cleveland, O., was presented a pin as a gift from the club.

Members played a traveling bunco, with each winning a prize. Those present included Mesdames Pearl Wilson, Tama Kirchoff, Marnie Nowicki, Melba Tarpoif, Irene Lewis, Nettie Miner, Beth Henley, Betty Mathias, Joyce Matson, Charlotte Rapp, Myrtle Hickman, William Tarris and Louis Rousseau.

The next meeting will be Feb. 25, when Mrs. Melba Tarpoif and Mrs. Betty Mathias will be co-hostesses.

### VISITORS FROM TEXAS

Mr. and Mrs. Kenneth Modglin, Garland, Tex., are guests at the home of his parents, Mr. and Mrs. Robert Modglin, 2809 National avenue. Modglin is on vacation from his position on the Dallas, Tex., police force.

They were married in the fall, and this is the couple's first visit to the Granite City area. He also has a sister and brother-in-law, Mr. and Mrs. Walter Lewis, 3725 Joyce avenue.

### LUTHERAN LEAGUE ZONE CONFERENCE

The Metro-Central Zone Officers' Conference of the Lutheran Women's Mission League was held at Trinity Lutheran Church, Edwardsville, Wednesday.

A lecture and discussion were led by Rev. Dennis Schmalz of Carpenter, Ill. His topic was "The Edifying Word," which dealt with family devotions.

A noon luncheon was served, after which a business meeting was held.

Attending from Concordia Lutheran Church were Mesdames Alberta Fritzsche, Wanda Lohman, Dorothy Hoffman, Maxine Rowekamp and Geri Gorbey.

### 4-H KNITTING CLASS

The knitting class of the Moonspinners 4-H club met Wednesday night at the home of Mrs. Betty Stegmeyer, 3508 Franklin avenue. Instructing the girls were the hostess and Mrs. Eleanor Kotel and Mrs. Carol Davis, 4-H club leaders.

Projects the members are working on include sweaters, slippers and mittens. Those present were Mary Kay Becher, Cheryl Bellue, Anne Marie De Runtz, Jo Marie De Runtz, Kathleen DeRuntz, Karen Winters, Theresa Polson, Betty Komadina, Losa Stegmeyer, Dawn Portell and Janice Gaudreault.

Next regular monthly club meeting will take place Thursday at the Nameoki Presbyterian Church.

### GIRLS AUXILIARY VALENTINE PROJECT

The Girls Auxiliary of Third Baptist Church met Wednesday evening at the church with the leader, Mrs. Roberta Lewis. Mona Clark read the prayer calendar, and Beth Ann Richardson offered prayer for missionaries.

A program dealing with work of missionaries in Spain, Hong Kong and Rhodesia was participated in by each member. Valentine cards the group will send to servicemen from the church were prepared and will be completed at the next meeting.

Mrs. Faye Modglin, sister-in-law of Mrs. Lewis, was wel-

comed as a visitor to the meeting. Other members present were Nancy Greer and Marcia Clark.

### COMPLETE 3 QUILTS

Nameoki United Methodist Church's Quilting Ladies met Wednesday morning at the church for their weekly quilting session and luncheon. Eighteen members attended, and three quilts were completed.

Mrs. Alma Cowan served as hostess for the day. Visiting the group in the morning was Mrs. Elizabeth Moore and son, Billy.

Mrs. Mary Bailey prepared cancer bandages, and those quilting were Mesdames Eva Potter, Ione Niemeyer, Glydas Russell, Dorothy Wallace, Evelyn Briggs, Virginia Carroll, Marian Whisker, Ruth Gibbs, Viola Thorsberry, Virgie Daniels, Lucille Russell, Marie Long, Vivian Guika, Effie Ver-nick, Emma Sternberg and Lou Ann Briner and daughter, Linda.

BROWNIE TROOP 342 MEETS  
Brownies of Troop 342 met with their leaders, Mrs. Lorraine Stawar and Mrs. Jean Andrews, Wednesday after school in Parkview school. President, Cindy Cunningham, led the pledge and the promise, and Missy Lane was in charge of dues and attendance.

The Troop practiced a flag ceremony presentation, and drew pictures of what they liked best to do, with each Brownie then telling about her choices.

The girls spent the last half of their meeting, working with play dough under the direction of Mrs. Stawar, while Mrs. Andrews met with mothers of the girls to plan future activities for the troop. Plans were made for visits to the police station and the fire departments.

Mothers present were Mesdames Wilson, Lenore Bevis, Joan Roberts, Matha Lane, Mary Kee, Peggy Cunningham and Harriet Lovins.

Brownies attending the meeting, and closing with the "Brownie Bridge," were Donna Lindsay, Lisa Kee, Lori Astorian, Karen Andrews, Connie Stawar, Cynthia Dorch, Kathy Wilson, Alisa Stone, Debbie Bevis, Margaret Lovins, Leslie Roberts, Susan Neely, and those previously mentioned.

### GROUP TO MAKE QUILTS

The women of the Church of Christ met Wednesday with their minister, Philip Powers, for the week's lesson.

Announcement was made that the group will begin making crib size quilts for use at the Paradise Children's Home in Farmington, Ky. The home is sponsored by the Church of Christ.

Following the meeting the members rolled bandages to be sent to a mission hospital. Those present were Mesdames Lora West, Arvilla King, Ella Shelton, Velma Stephens, Freddie Powell, Imogene Cable, Virginia Sullivan, Jessie Albers, Lela McPherson, Carleen Lee and Mary Lurton.

JOLLY TWELVE CLUB MEETS  
Mrs. Marcelene Jung, 3204 Aubrey avenue, entertained members of the Jolly Twelve Club Thursday afternoon. She served a two-course luncheon to the five members present.

Pinocle was played with prizes awarded to Mrs. Alma Halderman, the hostess; Mrs. Camille Dame, a guest of the club; Mrs. Verna Moehle, and Mrs. Jean Barnes, who won consolation prize. Also present was Mrs. Myrtle Bruns.

Plans were made to meet Feb. 12 at the home of Mrs. Helen Love, 1724 Primrose avenue.

### JUNIOR GA MEETINGS

The Junior Girl's Auxiliary groups of Emmanuel Baptist Church met Wednesday evening at the church with leaders, Mrs. Jackie Hooper and Mrs. Wanda Davidson.

Donna Homol opened the meeting with prayer, and all the girls joined in singing the Girl's Auxiliary hymn, "We've A Story to Tell." The GA Allegiance was recited and made prayer for missionaries having birthdays Wednesday was read.

A get-well card was signed and sent to Mrs. Mae Menks, a patient at the TB sanitarium in Mt. Vernon.

Plans for a roller skating party at Stardust Roller Rink, Saturday, Feb. 14, were completed. The girls are to meet at the rink for the 2 p.m. to 4:30 p.m. session.

Mrs. Hooper led the closing prayer. Girls present included Tonya Davidson, Deborah Akerman, Cindy Crews, Diane Paschedag, Roberta Ferguson, Donna Harrington and Darlene Arakakia.

### PTA BOARD TO MEET

Mrs. Annette Scrum, president of the Webster school PTA, has announced that an executive board meeting will be held at the school at 7:15 tonight to discuss plans for the Feb. 9 PTA meeting, which will feature a "founders' day" program in honor of past presidents.

A Boy Scout Week program by Troop 20, led by Tom Watkins, also is planned for the Feb. 9 meeting.

### TROOP CRAFT WORKSHOP

An arts and crafts workshop was held during a meeting of Browne Troop 140, sponsored by the Marshall PTA, Wednesday afternoon. The girls met with the leaders, Mrs. Charlotte Fuller and Mrs. Marilyn Smith, 2801 Wayne avenue, in the latter's home.

The meeting was called to order with a flag ceremony as the Brownies repeated their pledge of allegiance and promise and sang the troop song and Browne smile song.

Carol Davis and Lisa Fuller were selected to be in the annual "thinking day" program Feb. 22. Neighborhood Three will represent Japan in the program.

The scouts made a game out of a ruler holder and construction paper. The troop will start work on gifts for the mothers' next week.

The meeting closed with a friendship circle and singing of "Tap."

Participants were Kim Anderson, Dawn and Delora Cox, Laurie Ferrer, Barbara Fuller, Kathy Hadley, Tammy Hutson, Cindy Jackovich, Vicki Johnson, Inkie Kramer, Beth Jinn, Leanne, Barbara Miller, Betty Singleton and Tammy Smith.

### PARTY IS PLANNED

The Winner Patrol with Karen Lawrence, Elizabeth Eck, Debbie Fickler, Renee Sharp and Brenda Rutledge led the opening ceremony for Niedringhaus Junior Girl Scout Troop 330 Friday afternoon at one of the requirements of the songster badge and the scouts gave the pledge of allegiance, promise and sang "My Country 'Tis of Thee."

The troop discussed plans for a Valentine party that will be hosted by the third year of Junior members Feb. 13. The remainder of the meeting was spent working on the active citizen and songster badges.

The weekly session was a closed with the scoutmaster's prayer and Taps. Scouts participating were those mentioned and Lisa Curtis, Karen Gorrell, Julie Daniel, Debbie Elmore, Donna Lathrop, Kathy Lawson, Jane Matosian, Joni Savla, Robin Stanton, Linda and Susan Thompson and Leona Willey.

### TOUR CITY HALL

In lieu of the regular meeting, Browne Troop 181 sponsored by the Wilson school PTA, assembled at the school Friday with their leaders, Mrs. Louise Miller and Mrs. Jane Burris to go on tour of the city hall.

The scouts were met by Juvenile Officer, Susan Gage, who conducted the tour through the city rooms including the police department and the mayor's office where Mayor Parney greeted the girls and presented them with a gift. Gage explained the functions of the various departments.

In the court room, the brownies met Judge A. Andres Mar-

ning. Present were Fire Chief Joe Robinson, Assistant Chief Richard Slecka, Lester Vierling, Evelyn Mueller, Marion Owens, Don King, Virgil Layton, Ricky Peeler and Butch Skyles.

Mrs. Mary Busler, 2906 West 20th street, is home from St. Elizabeth Hospital after being a patient for one week.

## New Minimum Wage Starts

Employers in many retail and service businesses were reminded today of the changes in the minimum wage provisions of the Fair Labor Standards Act which became effective Sunday, Feb. 1.

Employees brought under the protection of the law for the first time on Feb. 1, 1967, are now eligible for a minimum wage of not less than \$1.45 an hour. The old minimum wages for these employees was \$1.30 an hour.

Those brought under the law for the first time Feb. 1, 1967, include some workers in retail trade, public schools and universities, hospitals and nursing homes, laundries and dry cleaning establishments, and restaurants, hotels and motels.

The remainder came from Gerald J. Mitchell, regional director, Wage and Hour Division, U. S. Department of Labor. The Wage and Hour Division administers the Fair Labor Standards Act and other Federal wage and hour laws.

The minimum wage for employees, whose work was covered by the Act before the 1966 amendments — employees in interstate commerce and the production of goods for commerce, and in certain large retail and service enterprises — will continue to be \$1.60 an hour. This rate went into effect Feb. 1, 1968.

There will be no increase in the \$1.30 an hour minimum wage for covered agricultural workers on large farms subject to the law.

## Initiation-Awards Ceremonies

### 400 Attend GAA Mother-Daughter Banquet

A "Lavender and Old Lace" theme set the scene Thursday evening for the annual Mother-Daughter Banquet of the Girls Athletic Association at Granite City high school.

More than 400 mothers, GAA officers and guests attended the 6:15 p.m. dinner, held in the high school cafeteria. Decorations and table favors conformed to the lavender and lace motif.

The banquet was followed with a variety show, performed by GAA initiates from Gaidage, Grigsby and Prather junior high schools and dance groups composed of senior high students.

The festivities concluded with a candlelight initiation ceremony conducted for about 100 new members who qualified for full GAA membership during the first semester.

Prior to dinner, an invocation was offered by Pamela Kessler, group singing was led by Mary McCarty.

#### Welcome by President

Debbie Portell, GAA president, welcomed the mothers, initiates and guests. Barbara Kerch, GAA vice-president, served as toastmaster, while proposing the various toasts.

Miss Ruth McCarty responded for the mothers, and Miss Barbara Kerch, Granite City school district consultant in physical education and girls programs, presided during the awards presentation.

Participating awards, which are part of the program for girls of the Illinois High School Association, were presented by Miss Kerch to GAA members who met specific qualifications since an awards picnic held last June.

Congratulations for arranging a successful GAA Mother-Daughter banquet were presented by chairmen—Kathy Affeller, ticket sales; Debby Baker, entertainment; Cheryl Blochberger, food; Susan Kiyasheh, decorations; Jan Hesselstanz, clean up; and Elizabeth Starko, initiation.

GAA officers at the senior high school with Linda Portell and Azari, are Linda Nelson, secretary; Connie Koester, treasurer; and Ruth Noeth, all sports manager, with Miss Mary Sue Rogers as faculty adviser.

Coolidge ninth grade GAA officers are Susan Mobley, president; Rosemary Boyd, vice-president; Karen Smith, treasurer; Pam Hassler, secretary; Pat Rafferty, point captain, with Miss Anna Marie Horn, GAA faculty adviser. Grigsby ninth grade GAA officers are Pam Clark, president; Sandy Sina, point captain; Sally King, historian; and Mrs. Connie King, faculty adviser.

Prather ninth grade GAA officers are Rosemary Boyd, president; Donna Roseman, vice-president; Dawn Rowland, secretary-treasurer; Alma Davis, point captain; Elaine Noeth, historian, with Mrs. Mary Lou Howard, faculty adviser.

Girls Intramural Sports Association, presided at the dinner, included Miss Wanda Carrill, Miss Mary J. Gilbreth, Miss Dorothy Mitchell, Miss Schuler, Miss Mary Sue Rogers, Miss Gayline Jacobs, Miss Anna Marie Horn, Miss Loretta Olsen, Mrs. Mary Lou Howard, Mrs. Helen Bjorkman, Miss Sharon McDonough and Miss Connie King.

#### Award Winners

The fall semester intramural sports champions were announced and presented awards by advisers from Granite City. Award winners were:

## Miss McCoid, 81, Former Venice Postmaster, Dies

Miss Luella H. McCoid, 81, of 1225 Robin St., Venice, a former Venice postmaster and postal department employee for 35 years, died at 3 a.m. Friday at St. Elizabeth Hospital.

She had been in ill health and under a physician's care for the past several months and was taken to the hospital by ambulance about 1:30 a.m. Friday.

Born in St. Louis, Miss McCoid had resided in Venice for 77 years. She retired 12 years ago from the Venice post office.

Survivors include a sister-in-law, Mrs. Nora McCoid of Venice, one nephew, Robert McCoid of Granite City, and several cousins.

Funeral services were held today. Arrangements are given in the obituary column.

## Griffith Praises Venice Police for Murder Probe

The "sincere appreciation" of the Madison county state's attorney's office for investigative work done by the Venice police department in a case that led to a plea of guilty to a murder charge in circuit court last week was expressed in a letter sent by State's Attorney R. W. Griffith to Venice Police Chief John Essington.

Griffith's reference was to the plea of guilty entered last week by Eugene McNair Jr., 41, of Venice, to a charge of slaying O. C. Ward, 37, who lived at 1225 Logan street, Venice, in 1968. A murder charge against Ward's widow, Mrs. Priscilla Ward, 37, was dismissed because of insufficient evidence after McNair entered his plea.

Dale Stobbs, assistant state's attorney, has recommended a prison sentence of 14 to 20 years for McNair and Circuit Judge William Beatty has set Feb. 13 for sentencing. Stobbs also recommended dismissal of the charge against Mrs. Ward.

In his letter to Chief Essington, Griffith said: "We certainly wish to extend our sincere appreciation for the extensive investigation that your police force made in the above matter (the McNair-Ward murder indictment) and on the day of the trial having over 90 witnesses subpoenaed."

"The investigation that you made was a continuing one for over a year, with new evidence being brought to life, all of which culminated in a plea of guilty to murder. Needless to say, if we had lacked a small

# 'Mom, How Can You Get So Upset About Drugs When You Really Don't Know a Thing About Them?'

(National Institute of Mental Health)

If you're having a little trouble these days getting through to your kids when you try to discuss illegal drug use, it may be because they know a lot more than you do about the subject.

We can't promise to make you an expert, but we can help you to catch up a little. Here are a few facts to talk from:

- 1. Marijuana:** Conviction, even with a suspended sentence, may cause interruptions of education, difficulty in obtaining a driver's license in some states, entering a profession, getting a responsible job. While marijuana, which is not a narcotic, does not cause physical dependence, it may lead to "psychological dependence" if taken regularly. There is no current conclusive evidence that marijuana is "medically safe."
- Research is currently being conducted to find out more about its physical and psychological effects.**
- 2. LSD:** Its effects can differ at times in the same individual. There is no way of predicting whether a "trip" will be "good" or "bad."
- And days, weeks, even months after using LSD, the things the user experienced while on the drug may recur unexpectedly.**
- The LSD experience can sometimes be disturbing enough to cause acute and even long-lasting mental illness.**
- 3. "Ups and Downs":** Excessive use of amphetamines ("ups") can drive a person beyond his physical endurance and leave him totally depleted physically, since he feels like neither eating nor sleeping. The body develops a tolerance to these drugs, with larger and larger doses required to feel the effects.
- Long-term heavy users are usually irritable, unstable, and, may suffer social, intellectual and emotional breakdown.**
- Barbiturates ("downs") can, in regular and excessive doses, become physically addicting. Overdose, or abrupt withdrawal for a heavy user, can cause death.**
- Barbiturates are a leading cause of accidental poison deaths in the U. S.**
- Amphetamines are sometimes prescribed as "diet pills," and barbiturates are given as prescription sleeping pills, but neither should be taken except in strict accordance with a physician's prescription.**
- 4. Narcotics:** Heroin is physically, as well as psychologically addicting. Large, or unexpectedly unadulterated doses can result in death.
- The addict's main object in life becomes getting the drug. He may turn to crime as the only way to get enough money to support his habit (which can run as high as \$100 per day).**
- For more detailed facts about these drugs, write for free drug booklets to: National Institute of Mental Health, Box 1080, Washington, D. C. 20013.**

## 25 YEARS AGO

FEBRUARY 2, 1945

Alderman James Popovsky unsuccessfully sought Madison city council endorsement of President Roosevelt's nomination of Henry A. Wallace, former vice-president, as secretary of commerce. He said Senate opposition to confirmation stems from senators' antagonism toward small businesses and working people.

Alderman Harry Cook contended that the council's only function is to administer city affairs and that it should not meddle with national politics. Mayor Stephen Mestas suggested that the motion be limited to speaking for the council members rather than as representatives of all Madisonians, but Popovsky declined to modify the motion.

Mrs. C. D. Russell of Cleveland Blvd. entertained her bridge club. Mrs. Herbert Osinger was a guest. Honors were given to Mrs. M. Schlichte, Mrs. E. G. Schmitt and Mrs. Fred Pfander.

The annual public installation of Juanita Rebekah Lodge 477 took place at the Odd Fellows hall, 209 members and guests present. Rev. Mason Gregg of Central Christian Church gave the invocation.

Officers installed were Mrs. Mildred Robertson, noble grand; Mrs. Dorothy Tedder, vice-grand; Mrs. Elizabeth Cant, wardens; Miss Nancy McDonald, conductor; Mrs. Lenora Weymouth, inside guard; Mrs. Julia Gergeloff, chaplain; Mrs. Agnes Meng, musician; Mrs. Leta Stocklein and Mrs. Clara King, supporters to noble grand; Mrs. Edna Nightingale and Mrs. Helen Prengel, supporters to vice-grand; and William Anderson, outside guard. There were vocal selections by Miss Gwendolyn O'Gunn, Miss Peggy Howey and Mrs. Alberta Corneaux, tap dances by Janet Meng and Frances Becker and a toe dance by Dora Marie Hilliard.

### Veto Emphasizes That Each Tax Dollar Must Be Spent Wisely and Produce Desired Result

As Congress recognized in sustaining it, the veto of the initial Health, Education and Welfare Department appropriation made sense. The bill was inflationary, which robs everyone of some of the value of his earnings. And it required hurried expenditure of school funds in little categories, a procedure which in the past has led to monumental waste, including purchases in some communities of costly equipment that could not be used.

Another and perhaps even more important element is that the appropriation seemed to express the indifference of many legislators as to whether certain public school funds have been producing results and at a reasonable cost.

President Nixon's veto action emphasized that Washington does have a responsibility to exercise some control over the way in which substantial amounts of income taxes are distributed and spent.

His statement noted that "the increased spending ordered by Congress for the most part simply provides more dollars for the same old programs without making the urgent new reforms that are needed if we are to improve the quality of education in America." He added that "in my education message which I will shortly be submitting to Congress, I will propose a new and searching look at our American school system."

A lot of government spending needs a good honest second look to determine whether it is accomplishing what it was supposed to accomplish. In our opinion, many programs do not function as originally visualized. Unfortunately, once established, they often are perpetuated without adequate evaluation of their effectiveness.

Needed funds will not be lost by the affected governmental agencies here and elsewhere. New monetary allocations will be enacted. But the President has spotlighted that there is a duty and a great need to make sure that full value is obtained for each dollar.

We suggest that similar scrutiny be given to all federal spending in the future. And it would be helpful if expenditures were reviewed on a comparable basis by all state, county and local-level governments as well.

### 6% Inflation During 1969 Offset The Average Increase in Earnings

(Bureau of Labor Statistics)

The national Consumer Price Index rose 0.6% in December to 131.3 (1957-59 equals 100).

Only half of the increase was due to higher food prices, particularly eggs and fresh vegetables. Most of the remainder of the rise was accounted for by increases for services.

The December rise put the all-items index 8.1% above a year ago, the largest rise in any 12-month period since November 1951.

Changes at annual rates over the last three months (listed first) and over the past year (listed second) were:

All items—6.0% and 6.1%.  
 Commodities, 6.4% and 5.5%.  
 Food, 7.9% and 7.2%.  
 Apparel, 6.9% and 5.8%.  
 Durables, 7.8% and 4.0%.  
 Non-durables, 7.4% and 4.9%.  
 Services, 6.4% and 7.4%.  
 Rent, 4.4% and 3.7%.  
 Household services, less rent, 7.9% and 9.5%.  
 Transportation, 6.1% and 4.4%.  
 Medical care services, 1.2% and 7.1%.  
 Other services, 4.9% and 4.9%.

Food prices climbed 1.4% more than last year for December. Prices of eggs and most fresh vegetables were up substantially more than last year. Meat prices were up slightly, but seasonally, because of coming strength in the prices of pork products. Sizeable price increases occurred for bread and milk.

Charges for consumer services advanced 0.7%, following two months of appreciably smaller rises.

Transportation services prices showed the most pronounced acceleration: they rose nearly 2% on the strength of higher auto insurance rates and airline and taxicab fares.

The rise in charges for

will have an opportunity to help plan expenditures of the township government in the 1970-71 fiscal year.

Balancing any budget is not easy, as heads of families are well aware, but we are glad to see taxpayers and recipients of township services join with elected officials in wrestling with the task.

An appropriation ordinance which has greater than usual public understanding and support may well result. This is as it should be. As Town Clerk Whitsett says, "The people who pay the bill should have something to say about how the money is spent."

### GOP Rolling Out Its Highest-Caliber Artillery for U. S. Senate Campaign

The prospect of the President and Vice-President campaigning in Illinois prior to the fall election underscores the importance of the U. S. Senate race in this state—and the extent of the national determination to provide legislative majorities in tune with the current federal administration.

Even for the pre-primary campaign dinner honoring Senator Ralph C. Smith Thursday evening, Feb. 3, Belleville, at least 100 members of the Senate plan to be present along with cabinet members, the governor and a number of congressmen and other officials.

These developments, combined with the candidate's fast-paced travel around the state in recent weeks, cast doubt on national publications' estimates that he will have extreme difficulty overcoming his November opponent.

We recall that some of the same magazines concluded that Gen. Eisenhower was "running like a dry creek" in the campaign which ended with his landslide victory in the 1952 presidential election.

### Boy Scout Council In Its 50th Year Of Building Outdoor Skills, Moral Values

The Cahokia Mound Council of the Boy Scouts of America, which will honor volunteer leaders at its annual appreciation dinner Saturday at SIU-SW, has launched its fiftyth year of consecutive service to the Madison-Bond counties region.

The character-building program for the 8-18 age group has imparted enjoyment and outdoors expertise to many thousands of youngsters and young men over the years. In recognition of this fact, the public looks forward to recognizing the scouting program on such occasions as the golden anniversary scout fair in May and the formal observance of the 50-year milestone this fall.

### Service Clubs Here Living Up To That Title

In discussing possible new projects, Granite City Rotarians have taken a brief look back at some of their past purchases and improvement programs. It is an impressive list.

Included are a \$6000 hospital electrocardiogram machine, college scholarships totaling \$6000, a \$3100 fire department station wagon with inhalator, a \$2000 grant for Granite City high school, expenditure of \$2000 for two police dogs and training and furniture cost \$1500 for the mental health clinic.

The YMCA, the Rotary club has spent \$4000 for auditorium improvements, \$3500 to equip the kitchen, \$1600 to air-condition the kitchen, \$800 for new recreational ceiling and \$300 for an additional air-conditioner. The club had a Girl Scout camp road built at a cost of \$1500. For the Boy Scouts, it constructed an 1800 camp cabin, bought a \$750 truck and provided \$300 in camp scholarships.

Numerous other Quad-City organizations also could be cited for their long and effective record of alert response to diverse community needs. Local service groups, it seems clear are living up to the word "service" (with as some football coaches would say) 110% effort.

usual hiring of extra Christmas help in trade.

After adjustment for price increases, gross weekly earnings were 0.4% below the November level and only 0.1% above a year ago.

Spendable earnings, or take-home pay, for the worker with three dependents rose by 15 cents over the month to \$109.01. Compared with December 1968, however, take-home pay was up \$4.79 or 4.9%.

Real spendable earnings—take-home pay expressed in 1957-59 dollars to reflect consumer prices changes—averaged 33 cents lower in December for the worker with three dependents.

Increases in purchasing power among workers in manufacturing, contract construction and mining were countered by declines in trade and finance, insurance and real estate.

At \$77.68, real take-home pay for the worker with three dependents was 1.1% below December 1968 and 2.4% below the high reached in September 1968.

December marked the eleventh consecutive month that real earnings have remained below year-ago levels.

For 1969 as a whole, increases in consumer prices eroded all of the gain in earnings. The weekly take-home pay for workers with three dependents averaged \$89.39 in 1969, 4.9% higher than in 1968.

After adjustment for price increases, however, real net spendable earnings averaged \$78.30, 0.4% lower than 1968's record and also below the 1965 and 1966 levels.

Over the year declines occurred in manufacturing, trade, finance, insurance and real estate, while gains were noted in contract construction and mining.

### COUNCIL SHOULD NOT APPOINT THE CHIEFS

To the Editor:

I am a resident of Granite City and I have been proud of our city. However, there is an ordinance that the city council is trying to pass tonight or the future that would be a big mistake; in fact, it would ruin our city.

The council members want to make a law saying that they would be the ones to appoint the chief of police and chief of the fire department.

What is their motive behind wanting this made a law? This would be terrible.

We have one of the best police departments and fire departments in the state. Check the records here and then go out and check in other cities our size.

Is this one of the ways that some of our council members think they can spit or get back at our mayor? I don't think they are thinking of what this would do to our city.

They are going to ruin our city.

### County Board Member Districts

(Taxpayers' Federation of Illinois)

Under the provisions of bills passed by the 76th General Assembly and signed by Gov. Ogilvie, Illinois counties of less than 3,000,000 inhabitants and with township organizations shall reorganize their county boards by July 1, 1971.

This legislation requires the county boards to set up districts of equal population. The districts are to number not less than five and not more than 29. In no case may there be more districts than there were members on the county board on the effective date of the Act (Oct. 2, 1969). H. B. 2866 also allows an alternative, at-large election for members.

If the county board fails to reappoint itself by July 1, 1971, or each 10 years thereafter, the county clerk shall convene the County Apportionment Commission.

The commission consists of the county clerk, the state's attorney, the Illinois attorney general and the chairman of the county board. The commission of the two political parties receiving the highest votes cast for governor in the last election must also be included.

The commission shall apportion the county board.

### Judiciary Preamble Could Stress Court System Quality, Promptness

By LIEUTENANT GOVERNOR PAUL SIMON

1. Regarding Article VI (Judiciary) of the Illinois Constitution, I recommend that a preamble be written for the Judicial Article, setting forth the goals of the judicial system, such as trial without delay.

The preamble should also state simply that members of the judiciary should be as free from political pressures as possible, that the public must be assured of the economic integrity of the judges, and that one of the aims of any system of selection is to assure quality in the judiciary.

Legislative acts would then have to fall within the broad outlines of such a preamble.

My reason for suggesting that the governor should be empowered to act in the case of a Supreme Court vacancy, and perhaps also for the Appellate Court, is that in these areas there would be sufficient public attention placed on the government that he most likely would make quality appointments. The responsibility should be clear.

Present members of the Appellate Court should be retained until they reach the mandatory retirement age, or resign or are impeached. As vacancies occur, they should be filled by the governor with the advice and consent of the Senate.

I do not favor plans which in fact permit the governor to play politics with appointments to the Circuit Court. The appointment of someone qualified by politics—and nothing else—is not likely in a Supreme Court appointment.

I hope that we can devise a system which will lift the quality of the judiciary, and I believe the Con Con delegate election have shown the way.

The legislature should be empowered to establish districts for state's attorneys, rather than the present demand that there be a state's attorney in each county.

### 50 YEARS AGO

FEBRUARY 2, 1920

The Home Rule Municipal League voted to ask the Illinois Constitutional Convention to grant more home rule to cities in raising revenue by taxation and in regulating and acquiring utilities.

Union City Attorney William Baxter attended the meeting in Springfield.

The first \$2500 of \$35,000 capital grain elevator at Mitchell was raised at a meeting of Namooki and Mitchell area farmers. The remainder will be sought by a committee, Merseman Englemann, Harry Wells, August Theis, John Voight, Joseph Zellmer and Edward Jensen.

Three have died from influenza, there are 247 known flu cases and 621 school pupils are absent. But some easing of the epidemic has occurred, and a ban on gatherings like that of 1919 has been postponed.

## Major Crimes, Auto Deaths Up in Venice

Major crimes in the city of Venice during 1969 increased over those of the previous year, while the number of adult arrests declined sharply, according to an annual report by Chief of Police John Essington.

Juvenile arrests increased slightly over those of 1968. Two murders occurred in Venice last year, compared with one in 1968, but three strong-arm robberies occurred compared to none in the 1968 year, the report shows. The number of armed robberies last year increased to five from the 1968 total of three. The number of rape cases remained unchanged at three.

Nineteen aggravated assault cases occurred last year, Essington reported, up one from the 18 of the previous year, but the number of forcible entry (burglary) cases fell to seven from 18 of the 1968 year. There were nine unlawful entry

cases, up from three in 1968, and 11 attempted forcible entry cases, up from nine.

### Theft Cases Decline

The report shows a decline in both the number of theft cases over \$50 and theft cases under \$50. There were 32 larceny over \$50 cases, compared with 62 the previous year, and 42 larceny under \$50 cases in 1969 compared with 63 in 1968.

Essington reported a total of 21 auto thefts in 1969, down one from 22 in 1968. While the number of traffic arrests declined to 199 in 1969 from 275 in 1968, and 151 arrests were based on city ordinance violations, compared with 370 in 1968, the number of arrests based on violations of state laws jumped to 125 from 46 during the previous year.

Chief Essington reported that the number of complaints received by his department climbed to 4169 last year, up from 3769 during 1968, and the

Venice officers filed a total of 1629 reports, up slightly from 1022 in 1968.

### Arrests Drop Sharply

The number of adult arrests in 1969 totaled 432, he said, a sharp drop below the 751 of the previous year, while 83 juvenile arrests were made during the year, up 14 over the 71 of 1968.

The ratio of auto accidents and personal injuries resulting from those accidents fell off, the chief's report showed, but the city had a total of seven traffic fatalities last year, compared with three in 1968.

During 1969 there were 260 accidents in Venice, down from 272 in 1968, and 79 personal injuries, compared to 109 in 1968. Arrests in all cases handled by the department during 1969 brought the city \$8726 in fines from disposition of the cases in circuit court, down from \$5202 received during 1968.

## Con Con Delegates 71 Seniors Graduated Considering Date For an Election

Constitutional Convention President Samuel Witter last week introduced a resolution to the delegates calling for a separate election on the final document of the convention.

The resolution, which was referred to the Rules committee, was an attempt by the president to insure the non-partisan nature of the election and keep it out of the Nov. 3, 1970, general election when Illinoisians will elect everything from U.S. Senator down to county officials.

The resolution, if adopted, would require that ratification or rejection of a new constitution could not be put to the voters after Oct. 7, 1970, 27 days before the November general election, nor could it be presented less than 27 days after the November general election or before Dec. 1, 1970.

Political campaigning and party identification of candidates recedes its peak in the last month prior to an election. People identify with a candidate and a party and in this last month before an election it reaches its peak, just the opposite of what is hoped for by the convention. Also, people tend to ignore special issues not listed on the machine. A single issue by itself stands a far better chance of success if it is called for as a single issue.

In other areas this week the delegates heard from the last statewide elective official since they were seated Dec. 8, State Superintendent of Public Instruction Ray Page became the third such official to advocate abolition of his office as it now is organized.

Page said his office should be appointed rather than elected to assure non-partisan education. He urged the delegates to write a new constitution that would require establishment of an appointive State Board of Education. The Board, Page said, should select the Superintendent.

Page also said the state should pay a larger share of the cost of education in Illinois. He urged the convention require the state to pay at least one-half the cost. Currently, the state pays about one-third the cost of educating one public school child. The balance comes from property taxes and federal aid.

Therefore, more state aid to education could lower property taxes statewide.

## January Freezes Limit Building In GC to \$56,100

The monetary and weather freeze in Granite City during January limited new construction listed in 13 building permits with values totaling \$56,100.

The largest project was a drive-in restaurant being erected at a cost of \$40,000. It was one of six permits issued for commercial purposes with values of \$46,700. Five of those were for signs.

Others included one room addition, \$3000, and six for remodeling and repairs, \$6400. Permits during the second half of the month were obtained by:

Pemie Dickey, 2354 Adams street, repairs to home, \$1500; James E. Jones, 2215 Missouri avenue, a roof, \$1000; Grove Plumbing & Heating Co., 2201 Washington avenue, an overhead door, \$1000; William Watson, 2807 Benton street, repair roof, \$200; Granite City Glass Co., 3732 Nameoki road, paneling, \$500, and a sign, \$200; Woodrume Olds agency 1905 Madison avenue, three signs at \$500, \$1000 and \$1500; Andrew Rutkovich, 2519 Hodges avenue, remodel interior of home, \$1900; Larry Dorch, 3316 Lydia lane, room addition, \$3000; and H. Kentucky Fried Chicken, 1512 Johnson road, two signs at \$500 each.

## 71 Seniors Graduated At GCHS Last Week

## Lt. Ralph Beedle Aboard Nuclear Sub

Navy Lt. Ralph E. Beedle, son of Mr. and Mrs. Leland S. Beedle of 2088 Wayne avenue, helped mark the 15th anniversary of nuclear power in the U.S. Navy while serving aboard the nuclear-powered submarine USS Queenfish homeported at Pearl Harbor, Hawaii.

This year marks 15 successful years since the submarine USS Nautilus transmitted the famous message "underway on nuclear power." Since then the Navy's nuclear-powered fleet has grown to eighty-five submarines and four surface vessels.

The Atomic Energy Commission was requested to undertake the design, development and construction of a nuclear reactor for use in a submarine in 1947. Now, twenty-two years later, the Navy has 44 attack and 41 fleet ballistic missile submarines with 20 more attack submarines presently under construction.

Nuclear-powered submarines are capable of extended submerged operations with almost unlimited cruising range, limited only by the endurance of the crew.

## Illegal Transportation Of Liquor Is Charged

Four teenage youths in an auto were charged with illegal transportation of liquor by Granite City police who stopped the car at 24th street and Madison avenue about 8:50 p.m. Saturday.

Charged were Michael Mize, 2114 DeMar avenue, Don Achle, 2088 Angela drive, William Hagen, 1221 Twenty-second street, and Jack Sparks, 2242 Adams street.

## Six Traffic Charges

Gary D. Jones, 644 Chouteau avenue, was arrested at 9:40 p.m. Friday at St. Clair and Wayne avenues on charges of attempting to elude a police officer, illegal transportation or possession of liquor, three stop sign violations and improper passing.

## Serving Aboard Destroyer

Seaman Lawrence J. Puert Jr., son of Mr. and Mrs. Lawrence J. Puert Sr., 117 Hampton street, Venice, is serving aboard the destroyer USS William C. Lawe the Indian Ocean. His ship is homeported at Mayport, Fla.

## Valentine Style Show Staged at Central Jr. High

The approaching Valentine season was used as the theme, "Sweethearts on Parade," for a fashion show given by seventh and eighth grade clothing students at Central junior high school.

The program was presented Thursday afternoon in the school cafeteria with between 150 and 200 students and parents in attendance.

The show was supervised by Mrs. Ann Brennan, clothing teacher at Central, with Diana Sifuentes and Mitzi Antonopoulos, students, as commentators. About 45 girls modeled clothes they had made, with many modeling more than one garment. The variety included shirts, skirts, tunics pants and penchos.

## Lenten Programs Will Include 5 Guest Speakers

The Lenten program at Niederrhein United Methodist church will be divided into two major parts which are to be different from the usual Sunday morning and evening services.

These major parts will be in the form of special speakers on Sunday evening and also a full week of services beginning Sunday morning, March 15.

Dr. John Adams, new pastor of Christ United Methodist Church, Belleville, Feb. 15; the Rev. Duke Kleinschmidt, who was reared in the local church and is now pastor at Westmont, Ill., Feb. 22; Dr. Robert B. Pierce, pastor of The Chicago Temple in Chicago's Loop, and one of America's great preachers, March 1; and Rev. Jack Travelstead, Methodist district superintendent, March 8, will be the speakers.

On Sunday, March 15, Dr. Richard Newell, pastor of the Danville, Ill., 2200 member St. James Church, will begin a week of special services.

Harold Lynn has accepted general chairmanship of the Lenten plans, and other chairmen are to be announced later.

## Officers Seminar Set At Ainal Temple Shrine

The Ancient Arabic Order of Nobles of the Mystic Shrine of Ainal Temple in East St. Louis, will hold the second annual officers seminar in the Mosque located at 609 St. Louis avenue next Sunday beginning at 9 a.m. This will be for the officers of the 30 Shrine Clubs and 20 Uniformed Units of the Temple, and will last until 4 P.M.

The wives of the officers will accompany them to East St. Louis, and will become the guest of Mrs. Ruth Maag, wife of Ainal's Potentate, Edward G. Maag, for the day.

At 5 p.m., all of the Nobility of Ainal, will gather for a dinner in the Temple dining room and later attend the presentation of the new officers. At 8:30 P.M. a stage show will be enjoyed by the members and special guests.

More than 3000 Nobles and their wives are expected for the day which starts the annual for the Temple's new officers.

The women will be entertained at Fischer's restaurant in Belleville while the men are in the Seminar, later touring the St. Louis Shriners Hospital before returning to the Temple for the evening program.

The officers to be introduced include: Edward G. Maag, Potentate; Charles H. Wagner, Chief Rabbani; Harold G. Baker, Jr., Assistant Rabbani; James E. Carter, High Priest & Prophet; David F. Mallett, Recorder; J. William Harrington, Treasurer; Charles G. Chenoweth, Oriental Guide; William R. Popkess, 1st Ceremonial Master; Bob Hardy, 2nd Ceremonial Master; Ralph E. Green, Director; Jack Dempsey, Marshal; Richard H. Ervay, Captain of the Guard; Ray Tibbs, Orator; Earl M. Potter, Outer Guard; Rev. Clarence V. Tolley, Chaplain.

**TAKING SHAPE** is the new wing for St. Elizabeth Hospital in the 2100 block of Iowa street. Completion of the multi-million dollar expansion is scheduled for next year to add badly needed beds as well as other facilities, including modern operating rooms and a new emergency department.

## GSI 1969 Income Up \$1,061,000 Over 1968 Year

General Steel Industries, Inc. ended the 1969 year with a net income of \$3,269,000, or \$1.30 per share, compared with \$2,208,000, or 88 cents a share during 1968, according to a report to stockholders by W. Ashley Gray Jr., president of the company.

The report noted that the company's castings division in Granite City ended the 1970 year with a good backlog of orders for large steam turbine and pressure vessel castings, "but at this point railroad freight car orders are considerably below a year ago."

Sales during 1969 amounted to \$114,550,000 compared with \$113,950,000 in 1968 when earnings were adversely affected by strikes and manufacturing difficulties. Gray reported that the increase in 1969 was the delivery by GSI's St. Louis Car Division of more than 200 rapid transit and commuter cars. The Car Division is the nation's leading supplier of such cars.

He said GSI's order backlog at the end of 1969 was \$71,756,000, including a \$37,800,000 contract under which the Car Division will produce 123 double-deck, air-conditioned commuter cars for the Chicago South Suburban Mass Transit District.

**\$122 Million Backlog**  
These orders do not include a \$30 million contract for production of 240 new model transit cars for the New York Metropolitan Transportation Authority which brings GSI's total order backlog to about \$122 million. Gray noted, however, that deliveries on the Car Division orders will not begin until late 1970 and their main impact on sales and earnings will be in 1971 rather than this year.

"There will be a marked difference in the quarterly pattern of earnings this year as compared with 1968," Gray said, noting that "shipments by our two largest divisions, Castings and St. Louis Car, will be unusually low in the first quarter of 1970. This combined with the seasonal business of four of our smaller divisions means that earnings came in the first and second quarters when we shipped a large number of rapid transit and commuter cars."

General Steel Industries has six operating divisions, one subsidiary and 25 plants in the United States and abroad. Corporate headquarters are in St. Louis.

**BOOK COLLECTION** given to the SIU-SW Lovejoy Library by Granite Cityans being looked over by Mrs. Stephen Stimson, executive secretary of the SIU Friends of the Library, and Russell Ames, who presented 2500 books to the library.

## Couple Donates 2500 Book Collection to SIU-SW Library

Mr. and Mrs. Russell Ames of Granite City have contributed about 2500 books, periodicals and musical items to Southern Illinois University's Lovejoy Library at the southwestern campus.

Among them are paperback and "pulp" mystery, western, humor, adventure books and serials dating back to the late 1800's. Included are Buffalo Bill, Zorro, Doc Savage, and the Elery Queen. Bookle's Frontier, P. G. Wodehouse stories and original copies of the Jesse James Stories. The collection also comprises the Five Cent Comic Library and such old weeklies as Diamond Dick, Bower Boy, The Log Cabin Library, the Railroad Series, and the Liberty Boys of '76. Also included are a variety of fiction and non-fiction, and 400 books on religion and the occult. In commenting on the recent acquisitions, John Abbott, director of the Lovejoy Library, said, "We are pleased to add these books and periodicals to

### Collide in Madison

Damages to the rear end of a car driven by Avery Schermer, who listed his address as 12th street and Madison avenue, and to the left front of an auto driven by Raymond F. Gaulk, University City, Mo., resulted from a collision at 12th street and Madison avenue about 3:15 p.m. Thursday, according to a report to Madison police.

Funds spent in Madison county, Naser said, also included \$1,217,243 for readjustment and vocational rehabilitation, and \$95,702 for insurance and indemnities. Regional office expenditures and hospital operating costs in the state of Illinois amounted to \$101,068,806. The VA also spent \$5,546,276 in Illinois for construction and related costs.

According to Naser, the VA is the third largest federal employer and operates the largest (166) hospital network in the free world, as well as administering one of the biggest insurance programs in the nation.

## Community Improvement Goal of Chamber Board

A continuous line of volunteer effort by top business leaders in the local area has enabled the Tri-Cities Chamber of Commerce to work consistently toward community progress. Albert H. Froemming, Chamber of Commerce president told Granite City Optimist club members Thursday afternoon.

Speaking at the service group's weekly luncheon meeting at the Rose Bowl restaurant, Froemming presented a brief historical background of the local Chamber, which evolved in 1949 from the Granite City Commercial Club, an organization formed in the early 1920s by local businessmen.

Froemming also reviewed the Chamber's program of work

### Suit Filed Over Mishap

A suit for \$10,001 has been filed for Darrell G. Grender, a minor, by his father, Robert Grender, against Debra J. and Elizabeth Travis in Madison county circuit court at Edwardsville. The complaint alleges that the youth was injured last Oct. 11 when an auto he was driving was involved in a collision with a car driven by Debra Travis, owned by Elizabeth Travis, at Wayne and Jill avenues.

Revenge is like a rusty gun—it kicks harder than it shoots.
